MILESTONES

Debuts - Jacob Grant became the 23rd player to represent the Rovers when he came off the bench in the 81st minute of our 2022 match. Jalen Watson (63rd) and Micah Joseph (64th) came off the bench in our 2024 away match while Peter Sheberstov (73rd) made his debut as starting goalkeeper in that season's home game. Last season, Justin Akili (89th) came off the bench in the 81st minute of our home match.

Discipline - As with all great rivalries, there have been lots of cards dished out in our fixtures. In the 2022 season 9 yellow cards were given out to our players in the league and play offs along with, then Head Coach, Jason Beckford being shown a red card in the play off semi final. Ijah Halley was shown a red card in our regular season game in 2023.

Goals - Jah'Moises Corona 30th minute strike was his only goal for the club in the 2022 league game. Justyn Thomas' 96th minute equalizer in our 2024 away game was his only strike for the club. Last season, Micah Joseph's first goal for the Rovers was in the 43rd minute of our home game.

PLAYED FOR BOTH SIDES

Lots of players have served both clubs. Our first ever signing Leaford Allen, Nakye Greenidge-Duncan, Jarred Phillips, Khalil John Wentworth, Alejandro Portal, Orlendis Benitez, Reshaun Walkes, Temesgan, Alemseged, Allen Saye-Blegay, Ethan Beckford, Gabriel Boakye, Andron Kagramanyan and Baj Maan have all worn both shirts. There are probably a few more that I have missed also.

PROMOTION & RELEGATION FOR THIS SEASON

- The team finishing last in the OPL 1 will be relegated to the OPL 2 (previously League1 Ontario Championship) for 2027. The second-last team will enter the promotion/relegation playoff match against the second-best team from this year's OPL 2 season, the winner of which plays in the top flight for 2027 and the loser of which will play in OPL 2.
- The OPL 2 is, likewise, a single-table format; the first-placed team will be promoted to OPL 1, second place enters the pro/rel playoff, and the last-placed team will be relegated to the third tier – now known as OPL 3, previously League2 Ontario.
- OPL 3 will continue to be divided into three regional conferences (Northeast, Central, Southwest) for both the men's and women's competitions. Each team will play a 14-game regular season, after which the winner of each conference advances to the playoffs. The best second-placed team by points from the three conferences also qualifies for the playoffs, which will consist of a semifinal round and a final.
- As in other years, the champion of OPL 3 will have the option to accept promotion to OPL 2. If they reject promotion, then a promotion playoff will be held between the top two 'A' teams in OPL 3 by total points (regardless of conference). Each club's main first team in the OPL structure is to be considered an 'A' team, with many 'B' teams also playing in OPL 3.

2026 WOMEN'S TEAM SCHEDULE

The Manitoba Soccer Association and Saskatchewan Soccer Association announced a new licensing agreement with Canadian Soccer Business to launch the Prairies Premier League, joining Canada's national system of elite pro-am soccer competitions beginning this spring.

Kicking off in May, the Prairies Premier League represents the highest level of domestic pro-am soccer in Manitoba and Saskatchewan, providing a clearly defined competitive environment for top players, clubs, and coaches across the region. Operating within the Premier Soccer Leagues Canada system – part of Canadian Soccer Business's league portfolio – the league will apply a nationally aligned pro-am model while remaining grounded in regional leadership and local soccer communities.

Developed through collaboration between MSA and SSA, the Prairies Premier League will apply the competitive and development model proven nationally under the League1 brand to address a long-standing gap for athletes in smaller provinces seeking consistent, high-level competition beyond the youth game, while also supporting the development of coaches, referees, and soccer organizations across the region.
