MILESTONES

Brianne Desa was shown the only yellow card of her Rovers career in our home game in 2023.

Holly O'Neill became the 59th player to pull on a Rovers jersey when she made her debut at the Mattamy Sports Park in 2024 after signing from Turkish side Beylerbeyi.

In the same game Rylee Traicoff was shown her 1st yellow card for the Rovers while substitute Zoe Rowe was shown the only yellow card in her Rovers career.

In our home game in 2024 Nathalie Hoppe, Lina Bahri, Priya Rastogi and Annika Arsenault all played their last 1st team game with Annika scoring twice for her only 1st team goals.

Alyssa Bruce-Moseley became the 87th player to pull on a Rovers jersey when she came on as a substitute in our home game last year.

A week later in our away match Maya Rayman came off the bench to become the 88th player and Tiana Mainella followed to become the 89th player.

PLAYED FOR BOTH SIDES

Lining up against us tonight are two very familiar names in Soumaya Bouak and Jessica Shears who we welcome back to JC Massie Field. While there are probably more players that came through the youth ranks at North Miss, Priya Rastogi, who signed for North Miss last year while moving the other way was Kyra Kotsopoulos who signed for us from North Miss last season. Lia Foster who represented us in 2022 also had a spell at North Miss in 2024.

PROMOTION & RELEGATION FOR THIS SEASON

- The team finishing last in the OPL 1 will be relegated to the OPL 2 (previously League1 Ontario Championship) for 2027. The second-last team will enter the promotion/relegation playoff match against the second-best team from this year's OPL 2 season, the winner of which plays in the top flight for 2027 and the loser of which will play in OPL 2.
- The OPL 2 is, likewise, a single-table format; the first-placed team will be promoted to OPL 1, second place enters the pro/rel playoff, and the last-placed team will be relegated to the third tier – now known as OPL 3, previously League2 Ontario.
- OPL 3 will continue to be divided into three regional conferences (Northeast, Central, Southwest) for both the men's and women's competitions. Each team will play a 14-game regular season, after which the winner of each conference advances to the playoffs. The best second-placed team by points from the three conferences also qualifies for the playoffs, which will consist of a semifinal round and a final.
- As in other years, the champion of OPL 3 will have the option to accept promotion to OPL 2. If they reject promotion, then a promotion playoff will be held between the top two 'A' teams in OPL 3 by total points (regardless of conference). Each club's main first team in the OPL structure is to be considered an 'A' team, with many 'B' teams also playing in OPL 3.

The Manitoba Soccer Association and Saskatchewan Soccer Association announced a new licensing agreement with Canadian Soccer Business to launch the Prairies Premier League, joining Canada's national system of elite pro-am soccer competitions beginning this spring.

Kicking off in May, the Prairies Premier League represents the highest level of domestic pro-am soccer in Manitoba and Saskatchewan, providing a clearly defined competitive environment for top players, clubs, and coaches across the region. Operating within the Premier Soccer Leagues Canada system – part of Canadian Soccer Business's league portfolio – the league will apply a nationally aligned pro-am model while remaining grounded in regional leadership and local soccer communities.

Developed through collaboration between MSA and SSA, the Prairies Premier League will apply the competitive and development model proven nationally under the League1 brand to address a long-standing gap for athletes in smaller provinces seeking consistent, high-level competition beyond the youth game, while also supporting the development of coaches, referees, and soccer organizations across the region.
