~Hunter Under Saddle & Equitation On The Flat ~

To be shown in properly fitting safe tack of discipline. Our Hunter Under Saddle and Equitation on the Flat will judge in all tack. We highly encourage helmets for all adults and require them for youth riders. Abuse, hitting, aggressiveness, and poor horsemanship will not be tolerated. Correct posting diagonals and leads will be judged.

Flat classes can be filmed in the round pen for beginner riders and green horses. Flat class can be ridden in any size around the videographer as long as the distance remains the same from videographer and the horse and rider stay in frame as requested. (we have an example video on our Facebook page)

Horses can be shared by riders. In Equitation classes any one horse can be ridden by many riders. In Hunter classes each horse can only be ridden by 2 riders in any one division (ex: "Bob" can be ridden by two riders in a Walk/Trot Hunter Under Saddle class, but not more than two. He can also be ridden by two riders in a Walk/Trot/Canter Hunter Under Saddle class but not more than two. He can be ridden by an unlimited number of riders in an Equitation on the Flat class)

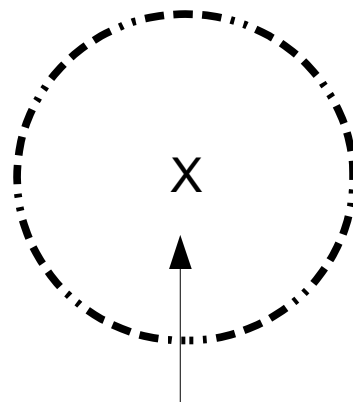

Divisions: Walk/Trot ~ Walk/Trot/Canter (Hunter & Equitation)
