~Advanced Mounted~ Horsemanship Pattern

To be shown in properly fitting safe tack of any discipline. We highly encourage helmets for all adults and require them for youth riders. Abuse, hitting, aggressiveness, and poor horsemanship will not be tolerated. Markers can be any item. Correct posting diagonals will be judged. Use any items as markers that you have, cones, buckets, rocks etc.

Goal: To show proper riding skills and aids, organization of pattern, and planning of geometry as well as horses manners, ride-ability, and attitude. Horse is to be calm, quiet, and not stressed, rushed, or pressured. Rider is to take their time while also showing themselves and their horse to their best ability. Safety is paramount with horses working off of a soft feel.
