

Northwood Family Office Named Canada’s Best for Family Office Services and Next-Gen by Euromoney

Toronto, ON, April 9, 2026 — [Northwood Family Office](#) has been recognized in two categories at the Euromoney Private Banking Awards 2026:

- Canada’s Best for Family Office Services
- Canada’s Best for Next-Gen

The awards highlight Northwood’s delivery of comprehensive, multi-generational family office solutions, including the coordination of complex family structures and governance, as well as its excellence in engaging and supporting next-generation family members through tailored advisory services, education, and long-term stewardship.

“From the beginning, our purpose has been to help families navigate complexity with clarity and confidence, and that commitment continues to guide everything we do today,” said Eric Weir, CEO of Northwood Family Office. “These awards are a reflection not only of that purpose, but of the exceptional team we’ve built in Canada, among the best in the country, who are dedicated to supporting families across generations through thoughtful advice, strong governance, and a shared sense of purpose around their wealth.”

Euromoney is a leading global provider of competitive intelligence and benchmarking for the banking and financial services industry. Its research-led awards are widely recognized as a benchmark of excellence within the global private wealth sector.

About Northwood Family Office

Northwood Family Office is Canada’s leading multi-family office, partnering with many of the country’s most successful families to address the full complexity of family wealth. The firm provides independent, objective advice across all aspects of family office services, including investments, tax and estate planning, philanthropy, and family governance.
