What you'll be doing

- Create fun, engaging short-form videos for TikTok, Instagram Reels and YouTube Shorts
- Cover Guild events, campaigns and everyday student life, on and off campus
- Edit content using tools like CapCut or Canva to make it platform-ready
- Design quick-turnaround graphics using Canva
- Chat with students in comments and DMs to support peer-to-peer support
- Look at what other student creators and SUs are doing for inspiration and fresh ideas
- Work with the Guild's Content team to develop and test creative content

What you'll gain

- A portfolio of creative content you can show off on your CV or LinkedIn
- Hands-on experience using editing tools like CapCut, Canva and more
- Confidence creating content that speaks in a clear, on-brand voice
- Real insight into how to engage audiences across platforms
- Skills in community management and two-way conversation
- An understanding of content performance and how to improve it
- Experience working to a brief and delivering creative work to deadlines

Skills you need

- Some experience creating short-form video and editing
- Familiarity with tools like Canva or CapCut (or a willingness to learn)
- A creative eye and a good sense of what works on TikTok, Reels or Shorts
- Comfortable chatting online and happy to reflect a friendly, student-first tone
- Able to manage your time, take feedback and meet deadlines
- Keen to grow your skills and try new things
- Comfortable approaching students and being on camera
