

## **Guild Accountability Board – Session 4**

Tuesday 3 February 2026 14.00–16.00

The Advisory Board Session took place in The Greenhouse, Devonshire House.

14 members attended.

### **1. Welcome and Introduction**

The session began with a welcome from the Chair and the Campaigns and Democracy Coordinator. The Board did an Icebreaker; it was to share “a fun or positive moment from the first weeks of term”.

There was a reminder of the session contract that was made in the previous session to keep the environment inclusive, safe and productive.

### **2. Classism Report**

The Officers were asked in the previous Guild Accountability Board to compile a report of the work they had done towards addressing classism. The report was discussed and critiqued by the members; they had a generally positive outlook on their work. The main concern they raised was that there was not enough work addressing the culture of classism at the University.

### **3. Officer Report and Group Discussion**

The Board were given time to read and digest the reports. The Officers split themselves between the tables and a group discussion of the reports followed. These discussions allowed the members to clarify any questions they had about the report and ask follow up questions.

### **4. Break**

### **5. Group Discussion**

The Group discussion continued after the break.

### **6. Officer Q&A and Feedback**

The Officers feedback on what had been discussed, and more questions were asked. The Communities and Equality Officer shared that there had been much discussion of their haircare campaign. The Education Officer shared that there was a discussion on the University's AI policy.

## 7. **Closing**

A notice for upcoming events was given. Members were thanked for their participation, and the meeting was brought to a close.
