Artisan

BUILDERS 2026

THE VISION

The work we share, the people we support.

Builders is an invitation to take part in what comes next for Artisan: supporting ministry partners, outreach initiatives investing in our spaces, and making room for people.

01 DOMESTIC

Ministries serving communities here and across the nation.

02 GLOBAL

Organizations extending ministry across borders.

03 MISSIONARIES

Families and individuals carrying the work forward.

Phase One complete. More room for what matters.

Your generosity helped make Phase One a reality: five new kids classrooms, an expanded lobby, a new café, an adult classroom, a dedicated prayer room, a laundry space, and an additional kids restroom.

Each space creates more opportunities to connect, grow in faith and find community. Thank you for helping make room.
