

Tracking Transfer: Community College and Four-Year Institutional Effectiveness in Broadening Bachelor's Degree Attainment

Tatiana Velasco, Ph.D.

**Math as a Barrier and Opportunity for STEM Transfer Webinar
September 2025**

Transfer outcomes are low and even lower among low-income, Black, Hispanic and older students

Six-Year Transfer Outcomes, Fall 2015 Community College Entrants

Transfer outcomes have improved slightly but remain too low

Trends in National Transfer Outcome Rates: Fall 2007 to Fall 2015 FTIC
Community College Entrants

Community college students complete bachelor's degrees in STEM at lower rates than non-transfer students

Bachelor's Completion within Six Years, 2015 Entry Cohort

Authors' calculations based on NSC data

Among bachelor's completers, community college transfers are underrepresented in STEM compared to non-transfers
