# GEORGIA DUAL ENROLLMENT PROGRAM

## **GA Dual Enrollment Program:**

The dual enrollment program is administered by GSFC in accordance with O.C.G.A. §20-2-161 and provides state funding for students who are dually enrolled at a participating eligible public or private high school, or home study program in Georgia, and a participating eligible postsecondary institution in Georgia. (maximum of 30 semester hours paid for using state funds, except Accelerated Career Diploma where there is no cap)

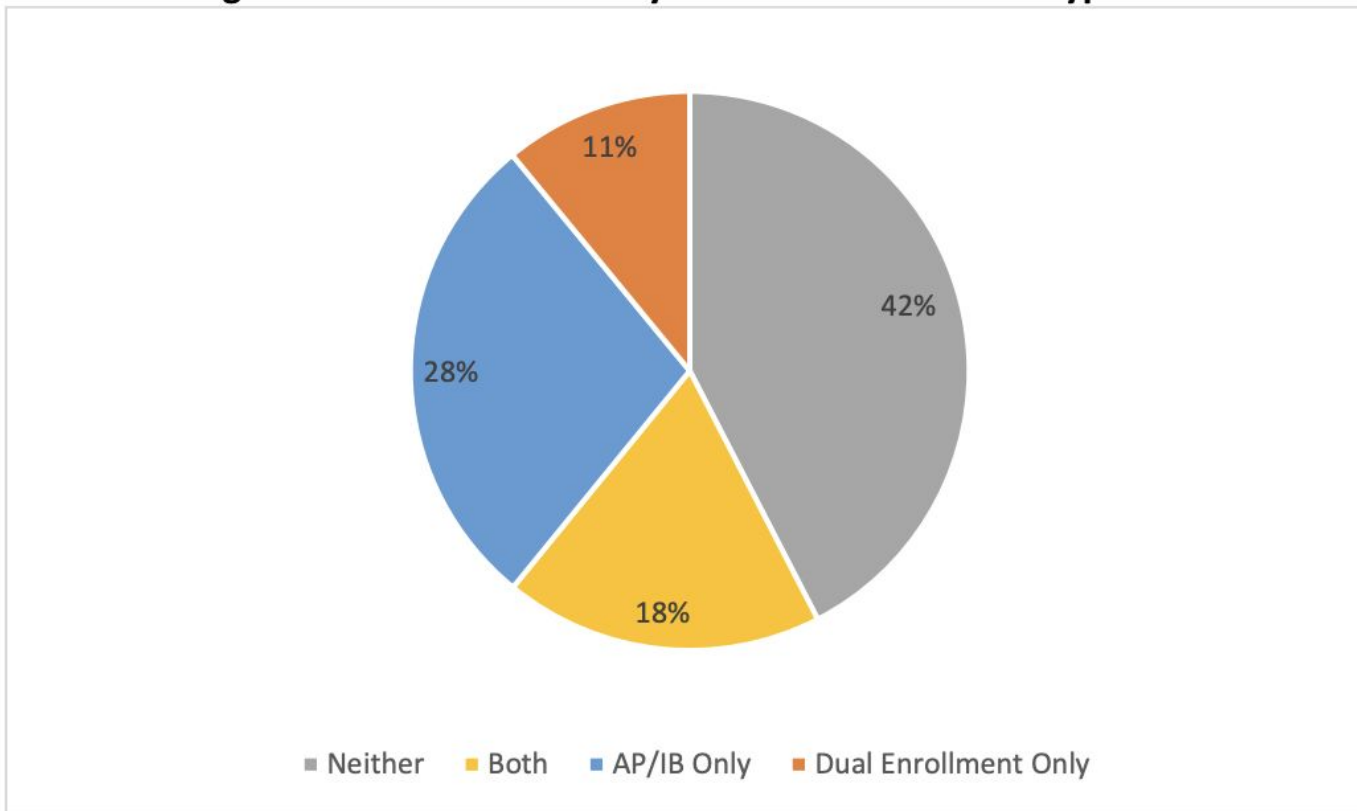

## **GA High School Graduation Requirements:**

**4 units of mathematics** required to be eligible for graduation

**(Algebra: C&C, Geometry: C&C, Advanced Algebra: C&C,  
and one additional unit, which can be taken through the Dual Enrollment program)**
