

Course Title

Hearing God with Dallas Willard, John Ortberg, and Richard Foster

Description

How do we hear God's voice? How can we be sure that we think we hear is not our own subconscious? What role does the Bible play? What if what God says to us is not clear? The key is to focus not so much on individual actions and decisions as on building our personal relationship with our Creator. In this series you and your group can listen in as John Ortberg and Richard Foster dialogue with Dallas Willard on the themes of his beloved classic book, *Hearing God*.
