

Course Title: Apologetics

Description:

In these four challenging sessions, students share real-life stories about their own struggles in coming to terms with what Scripture teaches about God, sin, creation and Jesus. Matt Chandler provides powerful teaching from Scripture and helps teens understand why believing in God and the Bible is not only reasonable, but also essential. And that's what apologetics is all about. Knowing what you believe and why you believe it, and then being able to share with others why you think your beliefs are reasonable.

Objective: To help develop a biblical understanding of the meaning, context and use of Apologetics.
