Clorite

TAJ GANJ OWN QUARRY

Taj Ganj quartzite is a natural stone of imposing beauty and sophistication.

With soft tones of beige and cream, its delicate veins in gold and gray give it an elegant and timeless look.

Extremely durable, it is ideal for countertops, flooring, and cladding, combining strength with a luxurious aesthetic.

Taj Ganj offers the nobility and subtlety of natural stones, creating refined and versatile spaces, perfect for those seeking exclusivity and quality.

The Natural Beauty of **Brazilian** **Stones** to the World.
