Church heating has now failed completely. General agreement is mass in Church is survivable but heating is on in Hall if anyone needs to warm up. **Wrap up warm!** Maybe we are being given our Lenten. Penance.

Update: Heating broke at the beginning of December 2025 at that point the diocese took control; It is still waiting for a 3rd quote. It hopes to place quotes before the board of trustees which meets in early March. If approval is gained it will then get date from the contactor for work.
