THEME: SPOOKTACULAR CELEBRATIONS

Send them on a musical adventure they'll never forget!

MON

Spooky Sprint

We'll start the week with a thrilling obstacle course full of spooky twists and turns. From crawling under "webs" to leaping over "pumpkins," we'll use our energy and imagination to bring this Halloween-inspired challenge to life.

Rangoli Designs

We'll paint vibrant, rangoli-inspired patterns and explore the joyful beats inspired by the rhythms of Diwali, filling the room with colour and sound.

TUES

Halloween Singalong

Voices at the ready! Together, we'll sing cheerful Halloween songs, from spooky favourites to silly seasonal tunes. It's all about joining in, laughing together, and raising the roof with our singing.

Monster Mash

Get ready to groove! We'll learn silly, spooky moves to upbeat Halloween tracks like "Monster Mash." This playful dance session is all about big smiles, crazy shapes, and celebrating the joy of moving to music.

WED

Hula Rhythms

Take a trip to Hawaii as we learn traditional hula-inspired dance moves to gentle, summery rhythms. Flowing arms, swaying hips, and island-inspired music will whisk us away to a sunny celebration.

Celebration Creations

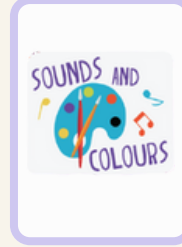

We'll use our imaginations to create a celebration or festival that no one has ever thought of before! Will it be about music? Art? Sports? Who knows! Whichever path our imaginations take us, the core of our celebration will be bringing people together in a symphony of creativity!

THURS

Greek Glory Days

Step back in time to ancient Greece, where athletes and scholars shaped history. We'll make laurel wreath crowns, try out simple Greek dances, and play mini "Olympic" games to celebrate stories and traditions that still inspire today.

Lanterns of Light

We'll design and craft bright paper lanterns to carry in a mini parade. As we show off our glowing creations, we'll sing simple, joyful songs to celebrate the light of Diwali and the fun of Halloween.

FRI

Bonfire Blaze

We'll capture the magic of a crackling bonfire on canvas using bold brushstrokes and fiery colours. To set the mood, we'll listen to lively fiddle tunes and autumnal melodies as we paint, making our artworks feel warm, festive, and full of life.

MON

Let's Explore

Greek Grooves

Step back into ancient Greece as we learn traditional Greek dance steps and hear stories of festivals from thousands of years ago. We'll explore how music and movement were woven into everyday life.

Let's Get Creative

Shadow Orchestra

We'll design and cut out our own shadow puppets, then bring them to life on the big screen with music! Using our string instruments, we'll add sound effects and dramatic scores to make our puppet stories spooky, silly, and unforgettable.

TUES

Let's Explore

Haunted Sounds

We'll paint eerie haunted houses with twisting windows and mysterious doors. Once our spooky settings are complete, we'll create an atmospheric soundtrack, making each haunted house creak, howl, and groan with life.

Let's Get Active

Carnival Dance Parade

Get ready to move as we learn vibrant samba-inspired dance steps! With drums pounding and feet flying, we'll parade together in a burst of rhythm and energy, just like Rio's world-famous carnival.

WED

Let's Explore

Festival Fanfares

We'll craft colourful flags inspired by autumn festivals from around the world, then create bold, brassy fanfares to march with them. From parades to processions, our flags and music will brighten up the room with colour and celebration.

Let's Get Creative

Masked Mystery

We'll design and decorate striking masks, then step into character for a short performance. Whether it's a spooky spirit, a mischievous trickster, or a dramatic festival figure, our masks will help us create mysterious and magical mini-plays.

THURS

Let's Explore

Creepy Compositions

Using spooky scales, quirky rhythms, and a dash of imagination, we'll create our very own creepy compositions. We'll experiment with instruments and voices to design music that gives shivers, tingles, and goosebumps — just in time for Halloween!

Let's Get Active

Kickball Chaos

A fast-paced and exciting team game where we'll kick, run, and dodge our way to victory. With plenty of energy and a big dose of laughter, it's the perfect outdoor break between all our music and creativity.

FRI

Let's Explore

Notation Nation

Who says music theory has to be boring? We'll dive into fun games, quick-fire quizzes, and silly challenges that help us learn about notes, rhythms, and symbols. By the end, we'll be masters of notation without even realising how much we've learned!
