# THEME: AUTUMNAL ADVENTURES

Send them on a musical adventure they'll never forget!

MON

## Pinecone Owls

We'll turn ordinary pinecones into adorable owls with feathers, googly eyes, and felt wings. From wise old owls to silly, sparkly ones, each creation will be as unique as the child who makes it. It's a crafty start to our autumn adventure!

## Rainstick Rhythms

Using our very own rainsticks, we will create the sound of autumn storms. Together, we'll layer rhythms of pattering rain, blustery winds, and gentle showers. It's like bringing the autumn weather indoors with music.

TUES

## Scarecrow Stomp

Get ready to dance like wobbly scarecrows, complete with stiff arms, silly freeze poses, and plenty of giggles. As the music changes, we'll get to invent our own scarecrow moves. It's all about having fun and letting loose in true harvest style!

## Harvest Song Circle

We'll gather in a big, happy circle and learn cheerful harvest songs to sing together. From clapping games to call-and-response tunes, we'll fill the room with joyful voices. Singing side by side makes us feel like part of one big autumn family.

WED

## Hunter Badges

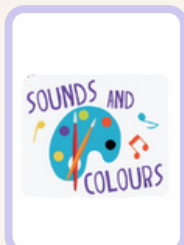

Every hero needs a symbol! We'll design and decorate bold badges that represent our very own Demon Hunter squad. Inspired by Huntrix and other K-pop fan logos, each badge will be unique, showing off team spirit, creativity, and identity.

## Friendly Forest Giants

We'll use our imaginations to become gentle giants who look after the forest. Through stories, movement, and a little improvisation, we'll bring these kind, magical characters to life. Who knows what adventures await in our autumn woods?

THURS

## Apple Tree Painting

We'll paint bright apple trees using our fingers, brushes, and plenty of autumn colours. Reds, greens, and golds will mix together as we create our very own orchard. It's messy, cheerful, and full of fruity fun!

## Woodland Obstacles

We'll go on a woodland-inspired obstacle course, crawling under "fallen branches," hopping like squirrels, and sneaking past sleeping owls. It's a playful adventure where every step feels like exploring the forest. Ready to test your woodland skills?

FRI

## Harvest Hoedown

We'll finish the week with a cheerful autumn dance celebration! We'll learn a simple line dance and circle dance to fiddle music, then invite everyone to join in the harvest fun. It's all about music, laughter, and dancing together.

# THEME: AUTUMNAL ADVENTURES

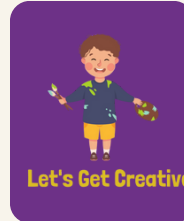

Send them on a musical adventure they'll never forget!

MON

## Autumn Anthem

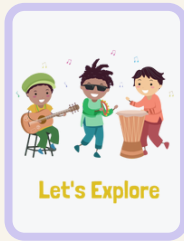

We'll become songwriters for the season, crafting our own lyrics about falling leaves and the magic of autumn nights. It's our chance to create a brand-new autumn anthem together!

## Glowing Lanterns

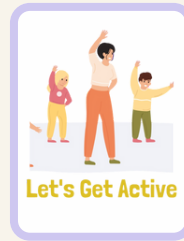

We'll design and build glowing lanterns to light up the darker evenings. Using paper, colour, and creativity, we'll craft lanterns that shine with autumn warmth. Once finished, we can imagine them glowing on an evening walk.

TUES

## Folk Tales in Song

We'll dive into traditional folk songs that tell stories of autumn harvests and woodland magic. Then we'll bring them to life in our own way, with singing, rhythm, and a touch of creativity. It's a mix of music, history, and storytelling with a seasonal twist.

## Forest Obstacles

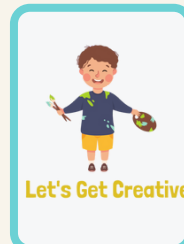

We'll tackle a woodland-inspired challenge full of crawling, climbing, and leaping. Every obstacle will test our speed, agility, and teamwork as we explore the "forest." It's the perfect way to burn energy and embrace the adventurous side of autumn.

WED

## Harvest Rhythm Jam

We'll build autumn-inspired rhythms together. By layering sounds, we'll create our own harvest groove that captures the feel of crunching leaves and stormy skies. Together, we'll sound like a whole autumn orchestra!

## Bonfire Painting

We'll paint dramatic night skies lit with the colours of bonfire flames. With splashes of orange, red, and gold, we'll create artwork that captures the glow of autumn nights. It's bold, fiery, and full of colour!

THURS

## Signature Moves

Step into the spotlight as we learn high-energy K-pop choreography with a twist - adding dramatic battle stances and demon-fighting flair! Together we'll build a routine that's powerful, stylish, and inspired by Rumi, Mira and Zoey

## Scarecrow Skits

We'll work in groups to write and act out short, silly plays starring scarecrows. From wobbly walks to straw-filled shenanigans, we'll use improvisation and performance to bring these characters to life. The more imaginative (and funny!) the better!

FRI

## Capture the Lantern

We'll end the week with an outdoor team game full of speed and strategy. In this autumn twist on capture the flag, glowing lanterns will be the prize! Expect teamwork, quick thinking, and plenty of excitement under the autumn sky!
