Mask of Two Worlds

Inspired by Rumi from K-Pop Demon Hunters, we will create striking masks: one vibrant and colourful, the other dark and reflective. Just like Rumi balancing two worlds, we'll explore the contrast between dark and light.

Big Jam

Big Jam Session

Under the guidance of our beloved teacher Mikko, kids will dive into improvisation on their instruments, collaborate in an epic jam session, and compose their very own song!

Let's Get
Active

Kickball Chaos

This is no ordinary game. With fast kicks, daring dashes, and non-stop action, kickball is about strategy as much as speed. Team up, stay sharp, and bring the energy – it's all about bragging rights and big laughs.

Shadow Orchestra

Step into the dark and let your imagination run wild. We'll create shadow puppets with personality, then add live soundtracks. Think epic battles, eerie sound effects, and stories that leap off the screen in shadows and music.

Carnival Craze

We crank up the samba beats and dive into high-energy moves straight from Rio. With pounding rhythms and bold steps, we'll turn the room into a full-on street parade. It's fast, it's loud, and it's impossible not to join in.

Echoes of Love

For centuries, composers have infused their music with powerful emotions. We'll dive into the works of legends, uncovering how their melodies capture themes of friendship and love that continue to inspire us today.

Silent Disco Fun
