Send them on a musical adventure they'll never forget!

MON

Snow Soundscapes

We dive into Debussy's magical "The Snow is Dancing" and let the music paint pictures in our minds. Together we create snowy forests, swirling flurries, and winter dreams using paint, creativity, and imagination.

Winter Quest Course

Get ready to dash, hop, glide and giggle our way through a winter-themed obstacle adventure packed with snowy challenges and frosty fun. We'll leap over icy hurdles, and slide down frosty slopes, all while laughing and cheering each other on.

TUES

Frosty Singalong

We warm up our voices with cheerful winter songs, jingles, and snowy favourites, celebrating the wintry season! Together we build confidence, rhythm, and teamwork as we sing our way into a joyful winter mood.

Polar Puppet Play

We create our own polar puppets - snow creatures, cheeky elves, icy spirits - and bring them to life through playful mini-performances. With each scene we discover new ways to use our voices, imagination, and storytelling skills.

WED

Nutcracker Magic

Get ready to step into the enchanting world of The Nutcracker, meeting magical characters and exploring Tchaikovsky's iconic music. Each melody helps us imagine scenes of dancing sweets, brave soldiers, and twinkling winter adventures.

Snowflake Studio

We will cut, design, and decorate giant glittering snowflakes, turning the room into a sparkling winter wonderland. As we hang them together, we transform our space into a magical snowfall that we helped create.

THURS

Gingerbread City

We will design and build our own cardboard gingerbread houses, decorating them with icing-like paint and candy-coloured details. By the end, we've created a cosy, creative town filled with charm, imagination, and a sprinkle of festive magic.

Blizzard Boogie

We will dance through swirling snowstorms and sparkling frosty beats, using movement to create living blizzards and drifting snowdrifts. It's high-energy, joyful, and the perfect way to shake off the winter chill.

FRI

Winter Wishboxes

We'll decorate special little boxes and fill them with winter wishes, hopes, and kind thoughts, bringing our festive week to a gentle, meaningful close. It's a calm, reflective activity that helps us celebrate our achievements and look forward to the season ahead.

JOIN US!

We'd love for you to join us for the Grand Concert, where your child performs their musical talents with their new friends!

MON

Let's Explore

Nutcracker Beats

Dive into the thrilling melodies of The Nutcracker, discovering how Tchaikovsky used rhythm, magic, and musical storytelling to bring battles, dances, and dreamworlds to life. We'll explore how music can create drama, tension, and sparkle.

Let's Get Active

Arctic Games Arena

We'll form teams and take on our very own Winter Olympics-style relay, powering through snowball passes, mini "ski jumps," and icy sprints. Fast, funny, and full of energy, this session is all about teamwork, strategy, and epic winter challenges

TUES

Let's Explore

Frozen Grooves

Explore icy rhythms, build our own beat patterns, and learn cool dance moves inspired by the world of Frozen. With powerful music and sharp choreography, we create an "ice routine" that feels bold, dynamic, and seriously fun to perform.

Let's Get Creative

Starforge Skies

We'll paint deep winter nightscapes, then design our own constellations - legendary creatures, heroes, or mysterious sky beasts. We use shimmering tissue paper and sharp white paint to bring our night skies to life with cosmic energy.

WED

Let's Explore

Arctic Echoes

We journey to the far North to explore Inuit-inspired soundworlds, using voice, body percussion, and simple rhythm patterns to echo snowy winds, animal calls, and icy landscapes. It's an atmospheric, immersive session that blends music with story and movement.

Let's Get Active

Street Five-a-Side

Get ready to hit the pitch for fast-paced five-a-side football, sharpening our teamwork, tactics, and quick decisions. It's high-energy, competitive, and packed with bursts of winter tournament spirit.

THURS

Let's Explore

Wizarding Soundtracks

We'll explore the magical world of Harry Potter through sound, discovering how music creates mystery, danger, and adventure. We'll experiment together with themes, moods, and dramatic moments to explore our own mini wizarding score.

Let's Get Creative

Winter Glow

We'll create bold, geometric snowflakes, turning them into glowing "stained glass" artworks. As the light shines through, our snowflakes burst into icy blues, frosty purples, and shimmering winter tones - perfect for brightening up any window on a cold winter day.

FRI

Let's Get Active

Longball Legends

We jump into Danish Longball, a fast, tactical, action-packed team sport where running, catching, and clever play keep everyone on their toes. It's energetic, competitive, and the perfect way to end the week with a blast.
