# THEME: MOVIE MUSIC MAGIC

Send them on a musical adventure they'll never forget!

MON

## Encanto Rhythm Party

Clap, stomp and sway to vibrant Latin-inspired Disney beats as we bring colour and rhythm to life through joyful movement and musical games. Let's make the room feel like one giant celebration!

## Sound Wave Painting

Turn music into art by painting bold lines, swirls and shapes to show loud crashes, soft whispers and magical melodies. As the soundtrack changes, our artwork will change too, helping us see how sound can become colour and movement on paper.

TUES

## Hero Obstacle Course

Mission accepted! Dash, jump and balance your way through superhero challenges set to powerful theme music. Each stage of the course will test teamwork, bravery and quick reactions as we train like true movie heroes.

## Red Carpet Roles

Lights, camera, action! Step onto the red carpet for glamorous interviews, superstar poses and movie premiere excitement. We'll practise speaking confidently, striking dramatic poses and celebrating each other like real film stars.

WED

## Disney Singalong

Warm up those voices for a joyful group singalong filled with favourite Disney classics and big performance energy. We'll practise clear singing, actions and stage smiles to make it feel like a real musical moment.

## Emotion Detectives

Listen closely to mystery soundtrack clips and guess the feeling - is it brave, spooky, joyful or dramatic? By tuning into instruments, tempo and volume, we'll become expert music detectives.

THURS

## Dragon Fire Painting

Inspired by How to Train Your Dragon, we'll paint fierce dragons and fiery skies while epic cinematic music sets the scene. Bold brush strokes and dramatic colours will help our artwork feel powerful and full of adventure.

## JOIN US!

We'd love for you to join us for the Grand Concert, where your child performs their musical talents with their new friends!

## Hero Soundtracks

We'll dive into the epic world of movie heroes through their iconic soundtracks. By listening closely and analysing rhythm and tempo, we'll discover how music shapes bravery, tension, and excitement on the big screen.

## Creature Creators

We'll bring dragons, monsters, and magical creatures to life on paper, using bold colours, textures, and imaginative details. Each drawing will capture personality, power, and story, helping us explore the art of fantasy illustration.

TUES

## K-Pop Idol Concepts

Create your own idol group complete with a name, demon alter-ego, logo, signature colour and stage outfit. With attitude and bold ideas, we'll design the ultimate superstar concept ready for the spotlight.

## Galactic Dance Battle

Choose your side and bring the energy as we dance through the galaxy to epic space-inspired music. With sharp moves, dramatic poses and big final freezes, it's a battle worthy of the stars.

WED

## Miranda Magic

Step into the vibrant musical world of Lin-Manuel Miranda, the creative force behind favourites like Moana and Encanto. We'll explore his signature fast-paced rhythms, clever lyrics, and storytelling style.

## Movie Map Makers

We'll step into the role of world-builders, designing our own fantasy movie landscapes. From enchanted forests to towering castles or futuristic cities, we'll map out magical locations that bring our stories to life!

THURS

## Under the Sea Yoga

Stretch, balance and breathe as we move like sea creatures in this calm, ocean-inspired yoga adventure. Gentle music will help us slow down, focus and imagine we're floating peacefully beneath the waves.
