About Give Local

Established in 2017 by the [Community Foundation of South Puget Sound](#), Give Local is an annual online giving campaign that has raised over \$6.7 million for local causes. With a minimum donation of just \$5, Give Local empowers everyone in our region to show up for the places and nonprofits they love across Lewis, Mason, and Thurston counties.

Group Giving: Philanthropy Made Simple

Whether you run a small local shop or manage one of our region's largest employers, local businesses are the heart of our community. We know your time is valuable, so we've made it easy, efficient, and fun for your team to give back together.

Group Giving allows your business or civic group to launch a customized webpage to collectively raise funds for local nonprofits.

What You Can Do with Your Group Page:

- Showcase Your Brand: Easily personalize your page with your logo, photos, videos, and text that reflect your organizational values.
- Curate Your Causes: Choose to feature specific Give Local nonprofits that align with your philanthropic passions or give your team the freedom to support any of the participating organizations.
- Amplify Your Impact: Set a team fundraising goal, drive excitement by establishing a corporate matching grant, or issue friendly giving challenges to your clients, peers, and network.
- Track Your Success: Your group gets full credit for every single donation generated through your unique link.

How It Works

1. Create & Customize: Set up your page in just a few minutes using the MightyCause step-by-step [platform guide found here](#).

2. Share Your Link: Drop your custom page link into your newsletters, customer emails, and social media channels.
3. Rally Your Network: Encourage employee camaraderie, challenge your customers to participate, and watch your collective impact grow!
