SAUDI ARABIA ANNOUNCES NEW LAND TAX ZONES IN RIYADH TO BALANCE REAL ESTATE MARKET

This article reports that the Saudi government has announced the geographic zones for white land fees in Riyadh, including the fees that will be imposed on undeveloped lands, in five tiers ranging from Priority Zone 1 to 4 – ranging from 10% down to 2.5% of land value, and also outside priority areas, which are exempt unless included with other Zone 1-4 lands.
