### QUEENSLAND

#### Queensland government rakes in hundreds of extra millions as land tax net widens, capturing more properties

This article reports on the increasing revenue from land tax in Queensland caused by the threshold of \$600,000 remaining the same since 2007, whereas the land values have increased significantly.

## **VICTORIA**

### **Victorian Government details 'value capture' mechanisms to fund Suburban Rail Loop east**

This article looks at how 'value capture' will be used to provide a third share of the funding for the Suburban Rail Loop East including contributions from residential developers whose builds will be enhanced by the project and levies on car park owners. The government expects this value capture will generate \$11.5 billion across 40 years.
