

DeepOcean announces changes to the Board of Directors

29 June 2026 – DeepOcean Ltd announces changes to its Board of Directors, with immediate effect. The changes reflect the transfer of five board members from DeepOcean Group Holding AS, the Group’s principal operating subsidiary, to the Board of DeepOcean Ltd.

DeepOcean Ltd serves as the parent company of the DeepOcean Group.

Jo Olav Lunder will serve as Chairman of the Board of DeepOcean Ltd.

In addition, Victoria Lazar has been appointed to the Board of Directors. She brings extensive experience in corporate governance, strategic transactions, enterprise risk management, sustainability matters, global operations and regulatory compliance and reporting, having previously led teams in large, complex businesses within the energy, technology, aviation and industrial sectors.

Victoria Lazar is senior vice president, general counsel and corporate secretary of Trane Technologies plc, a global climate innovator listed on the New York Stock Exchange (NYSE). Previously, Victoria served as executive vice president, chief legal officer and corporate secretary for TechnipFMC plc, a global leader in energy projects and technologies, where she played a key role in the successful spin-off of Technip Energies. She also served as senior vice president, general counsel and corporate secretary of Bristow Group Inc., and held executive legal roles of increasing responsibility over more than a decade each at General Electric and Electronic Data Systems Corporation. She began her career in private practice at Baker Botts.

Victoria holds a Juris Doctor from the University of Chicago Law School and a bachelor’s degree in government from Cornell University.

At the same time, Nicklas Kövamees, Investment Professional at Triton, stepped down from the Board of DeepOcean Ltd.

Following these changes, the Board will comprise seven members:

- Jo Olav Lunder, Chairman of the Board
- Kristian Diesen
