# cd/blu-ray player

\*Read the user manual  
before operating.

Product #9409

# safety information

## Before you start...

Warning of a hazard for the user, the unit or possible misuse. Important notice.

Thank you for buying a Tri-Art Audio product. Please read through this manual to understand and operate this product correctly. Please keep this manual in a safe place so that you may refer to it whenever necessary. Please ensure the product you are using is rated for your country's electrical system, or it will not be covered under our warranty.

## Warning:

To prevent fire or shock hazard, do not expose this product to rain or moisture.

## Important Notice:

The serial number for this equipment is located on the bottom of this component. Please write this serial number on the enclosed warranty card and follow the instructions to register your product for our three (3) year limited warranty.

This equipment is designed for consumer use, such as home audio systems. It is not designed to operate in a business environment or a mobile application. Mobile, pro or commercial businesses such as restaurants will not be covered under warranty.

**CAUTION:** To reduce the risk of electric shock, do not remove cover (or back).  
No user serviceable parts inside. Refer servicing to qualified service personnel.

## Safety Instructions

### Read Instructions:

All the safety and operating instructions should be read before operating this equipment.

### Retain Instructions:

The safety and operating instructions should be retained for future reference.

### Heed All Warnings:

All warnings, set up procedures, and operating instructions should be strictly adhered to. Follow all instructions carefully.

### Water and Moisture:

Under no circumstances should this audio component be used near water. It is not to be used in a bathroom, water closet, shower, kitchen, wet basement, pool/spa/suana area, or outside.

# safety information

## Safety Instructions

### Ventilation:

Please ensure that the location of this equipment is such that in no way does it prevent adequate ventilation. Do not enclose this in fabric or enclose in a cabinet where there is no adequate ventilation. In no instance should the product be located where the flow of air is impeded or cannot allow proper ventilation.

### Heat:

This product should be located well away from all the heat sources such as but not limited to heaters, forced air heat, radiators, stoves, and fireplaces.

### Power Sources:

The Tri-Art component should be connected to a power supply as listed on the actual component and manual.

### Cleaning:

Your Tri-Art product was soaked in hemp oil and sealed in beeswax. Only use the Tri-Art Beeswax and Hemp Oil in moderate amounts as per the instructions to freshen up the appearance from time to time as needed. Do not use lacquers or aerosol wax products with this product. Do not pour water on the surface at any time.

### Heavy Objects:

Do not place heavy objects on this component.
