---

## HAPPY HOUR

**Location:** Turf      **Instructor:** Alyson

This class will be different every week to get you started for the weekend. We will meet in the indoor turf room. We will use both weighted and body weight exercises to gain muscle mass, while achieving cardiovascular endurance. We will target all muscle groups by engaging in dynamic and isometric movements. The workouts will be done with high intensity and high energy. It is designed to promote strength, cardiovascular endurance, lean muscle growth, and excess fat loss.

---

## KNOCK-OUT PARKINSON'S BOXING

**Location:** Group fitness room      **Instructor:** Shellie, Ginger, or Terry

This class is a full-body workout exercise regimen that includes: non-contact boxing to help improve hand-eye coordination, balance, agility, and reaction time. Class members will also work on voice activation exercises, mobility, core, stretching, and strength exercises that will help with everyday functional activities and promote improved posture and better cognitive processing. Class will provide a fun and socializing atmosphere for all participants. Each participant will need to have their own boxing gloves.

---

## P90X

**Location:** Turf      **Instructor:** Ginger

P90X is a total-body, cardio, and strength training class that uses body weight as well as dumbbells and resistance toning. A sequence of blocks may include: lower body, upper body, cardio, and core. Warm up and cool down included-no time wasted. This class is fast moving, hard-hitting workout.

---

## POUND

**Location:** Group fitness room      **Instructor:** Courtney

Instead of listening to music, you become the music in this exhilarating full-body workout that combines cardio, conditioning, and strength training with yoga and pilates-inspired movements. Using Ripstix®, lightly weighted drumsticks engineered specifically for exercising, POUND transforms drumming into an incredibly effective way of working out. Designed for all fitness levels, POUND® provides the perfect atmosphere for letting loose, getting energized, toning up and rockin' out!

---

---

## QIGONG

**Location:** Group fitness room      **Instructor:** Valarie

Pronounced Chee - gong. An ancient form of Traditional Chinese Medicine that combines breathing, and gentle movements, mirroring movements of nature, to cultivate life force energy. Combined with simple breathing techniques, Qigong is uniquely suited to relieve stress, boost the immune system, and increase the body's innate healing abilities. It is often done as a precursor to learning Tai Chi. Qigong can be done standing or sitting, and is simple to learn for all ages. Participants are encouraged to bring a mat if they would like to lie flat instead of sit for meditation at the end of class.

---

## RHYTHM PUMP

**Location:** Group fitness room      **Instructor:** Stevie

A one hour total body toning class set to a playlist that is sure to keep you motivated. Using light-to-medium weight dumbbells and bodyweight resistance, we will focus on all major muscle groups. This class is low impact and great for any fitness level. We'll build strength and increase muscle endurance while also hitting those cardio heart rates so you can knock it all out in just one hour!
