Location: Group exercise room

Instructor: Mark

This class will be a mix of walking through fundamentals of boxing along with high intensity interval training applying the skills learned beforehand. All levels welcome.

CARDIO SCULPT

Location: Group exercise room

Instructor: Alyson

Build athletic fitness as you sweat through smart and safe progressions. Use your bodyweight as a tool to develop speed, balance, and agility. Workouts will also utilize weights to sculpt lean muscles.

CHAIR YOGA

Location: Group fitness room

Instructor: Breeana

This class is a gentle form of yoga. You will practice yoga sitting in a chair or standing using the chair for support. Complicated maneuvers and complex movements are not present in this class. Students can experience the many benefits of yoga without having to get up or down from the floor. You will learn many yoga postures, breathing techniques, meditation, and ways of relaxation with the aid of a chair. Benefits include increased balance, strength, flexibility, range of motion, and stress reduction.

CIRCUIT STATIONS

Location: Group fitness room

Instructor: Ginger

A style of workout that mixes cardio and strength training where you cycle through several exercises targeting different muscle groups with minimal rest in between.

CLIMB FIT

Location: Group fitness room

Instructor: Rachel

Catering to adults who are tired of the weekly gym routine. This class will work all muscle groups along with their flexibility, agility and concentration.

DEEP WATER

Location: Competition pool **Instructor:** Jeniver

This deep water workout, with a flotation belt, is a nearly zero impact exercise environment. Deep water running and bicycling alongside other exercises will challenge your body and core. All fitness levels welcome; no swimming required.

FIT & FABULOUS

Location: Group exercise room **Instructor:** Mary

This class will utilize all upper and lower extremities to improve cardio and core strength, and overall body conditioning. All levels welcome.

FULL BODY TABATA

Location: Group fitness room **Instructor:** Matrasa, Frankie, or Alyson

Full body tabata is a one-hour, high-intensity interval training that consists of eight sets of fast-paced exercises, each performed for 20 seconds interspersed with a brief rest of ten seconds.

GENTLE YOGA

Location: Group fitness room **Instructor:** Judy

Gentle yoga is a calming, stress-relieving yoga class to stretch and strengthen the body gradually. This class focuses on vinyasa (connecting breath to movement) and builds strength and flexibility.

HAPPY HOUR

Location: Turf **Instructor:** Alyson

This class will be different every week to get you started for the weekend. We will meet in the indoor turf room. We will use both weighted and body weight exercises to gain muscle mass, while achieving cardiovascular endurance. We will target all muscle groups by engaging in dynamic and isometric movements. The workouts will be done with high intensity and high energy. It is designed to promote strength, cardiovascular endurance, lean muscle growth, and excess fat loss.

KNOCK-OUT PARKINSON'S BOXING

Location: Group fitness room **Instructor:** Shellie, Ginger, or Terry

This class is a full-body workout exercise regimen that includes: non-contact boxing to help improve hand-eye coordination, balance, agility, and reaction time. Class members will also work on voice activation exercises, mobility, core, stretching, and strength exercises that will help with everyday functional activities and promote improved posture and better cognitive processing. Class will provide a fun and socializing atmosphere for all participants. Each participant will need to have their own boxing gloves.

LINE DANCING

Location: Group fitness room **Instructor:** Debbie

This class for beginners involves learning a sequence of repetitive steps in lines and rows without partners, typically to country or pop music. The steps are easy to follow and provide a fun low-impact workout that improves coordination and cardiovascular health.

P90X

Location: Turf **Instructor:** Ginger

P90X is a total-body, cardio, and strength training class that uses body weight as well as dumbbells and resistance toning. A sequence of blocks may include: lower body, upper body, cardio, and core. Warm up and cool down included-no time wasted. This class is fast moving, hard-hitting workout.

QIGONG

Location: Group fitness room **Instructor:** Valarie

Pronounced Chee - gong. An ancient form of Traditional Chinese Medicine that combines breathing, and gentle movements, mirroring movements of nature, to cultivate life force energy. Combined with simple breathing techniques, Qigong is uniquely suited to relieve stress, boost the immune system, and increase the body's innate healing abilities. It is often done as a precursor to learning Tai Chi. Qigong can be done standing or sitting, and is simple to learn for all ages. Participants are encouraged to bring a mat if they would like to lie flat instead of sit for meditation at the end of class.

RHYTHM PUMP

Location: Group fitness room **Instructor:** Stevie

A one hour total body toning class set to a playlist that is sure to keep you motivated. Using light-to-medium weight dumbbells and bodyweight resistance, we will focus on all major muscle groups. This class is low impact and great for any fitness level. We'll build strength and increase muscle endurance while also hitting those cardio heart rates so you can knock it all out in just one hour!
