39TH ANNUAL

Orangeburg County Chamber's Cup

The Chamber is proud to invite you to the 39th Annual Orangeburg County Chamber Cup!

Every year the Chamber's Cup provides the opportunity to network and build connections in a relaxed environment. The Orangeburg Chamber is only as strong as the business community that supports it, so we hope you will support the tournament as we work to make Orangeburg County a better place to live, work, and play!

About the Course: One of the best courses in the Southeast, this Ellis Maples designed championship golf course is one of the crown jewels of Orangeburg. Renovated by award-winning architect Richard Mandell in 2009, the course is both challenging for even the best golfers and welcoming enough for novices. Participants in this year's tournament will enjoy deep bunkers and lush fairways lined by tall pine trees and scenic views of the Edisto River. It is an experience not to be missed.
