## Introduction

The Mexican American Opportunity Foundation (MAOF) is a nonprofit, community-based organization established in 1963 to serve disadvantaged individuals and families in the Los Angeles area. MAOF is the largest Latino-oriented family services organization in the United States. It has achieved this status by providing high-quality social services and programs to those communities where the need is the greatest.

**Mission Statement:** “The mission of the Mexican American Opportunity Foundation (MAOF) is to provide for the socio-economic betterment of the greater Latino community of California while preserving the pride, values, and heritage of the Mexican American culture. This is accomplished through programs in early childhood education and family services, job training, and senior lifestyle development throughout the multi-cultural communities served by MAOF.” MAOF is joined in this mission by government agencies, public and private foundations, and Corporate America.

**Early Head Start & Head Start:** The Early Head Start & Head Start Programs serve 0 to 5 year-old low income children and families. The children receive educational, social development, medical, dental, vision and hearing screenings as well as other evaluations and services pertinent to a healthy, well-rounded child. Through parent skill building and curriculum understanding workshops, parents are provided valuable information for their role as the primary caregivers and educators of their children. This service is provided in both English and Spanish.
