Product Designer with 3+ Years Experience | patrice.lecaros@gmail.com | +63 939 495 7591 | [PORTFOLIO](#) | [LINKEDIN](#)

EXPERIENCE

KAYA FOUNDERS — Makati City, Philippines
UX Designer, Lead Designer — 2022- Present
- Led the design for the MVP development of 5 of their portfolio companies through mockups and user testing
- Consulted and designed for over 8 portfolio companies, worked closely with the founders to create initial UI mockups, websites and pitch decks along with user validation through testing
- Helped establish design systems on Figma, allowed developers to implement designs more accurately
- Oversaw the design direction and developed the landing page of Kaya Founders

MOCHI SOLUTIONS — Makati City, Philippines
UX Designer — 2022- 2024
- B2B Fintech where I designed more than 40% of the initial platform (including website), which led to the launch of their MVP
- Conducted over 30+ usability testing sessions, which led to iterating features such as customizable invoices and shorter onboarding

FREELANCING — Manila, Philippines
UX Designer, Website Developer — 2022- Present
- Led the design foundation of over 10 early stage startups. Majority focusing on B2B, Fintech and AI
- Established design systems, developed the landing page, and design UI mockups and prototypes
- Notable clients include [Anycase.ai](#), [The Archive Project](#), [Enduring Labs](#), Globe Telecom

LEADERSHIP & ACTIVITIES

KADAKAREER — Manila City, Philippines
Design Mentor — 2022-2024
- Volunteered to mentor over 30+ students, gave feedback and advice on those interested breaking into the UX Design field

AFFILIATED STANFORD ENTREPRENEURIAL STUDENTS — Manila, Philippines
Mentor — 2024
- Mentoring aspiring builders and founders
