

Terms of Engagement

We want to let you know about our services and how we'll do business with you. Have a read, and then sign your name to show you have understood.

ABOUT US:

Buddy is a New Zealand wide mortgage and insurance brokerage. We have a team of advisers who work with people and companies to find the best loans and insurance cover for their needs.

100% independent – we work for you: Because we're not owned by a bank, insurer or finance company, we can source loans and insurance policies from a wide range of providers. The mortgage or insurance policy we recommend depends on your situation – you might need the lowest interest rate, a special structure, or specific conditions, comprehensive cover, Either way, we'll find the right one.

Great advice at no cost: Our advisers will take the time to understand what you want before they recommend anything. They'll take care of the paperwork when you apply for a loan or insurance policy, and act as a go-between with the bank or insurance provider. If you want to renew, restructure or refinance your loan – or if you have any questions at all – just get in touch and we'll do our best to help you.

Our mortgage advisers earn salaries, not commissions: Unlike many brokers, our team is paid by salary, not commission. This means their goal is to find the best deal for you, not the deal that gives them the most cash.

SCOPE OF SERVICE:

Here are the things we can help you with.

- Finding the right home loan/mortgage and managing the paperwork when you apply for your loan.
- Assessing your risk of serious illness and disability, so you can have the protection of trauma insurance and also permanent disability insurance.
- Advice on income protection insurance to help safeguard your income if sickness or disability affected your ability to earn.
- Advice on life insurance to protect those who depend on you financially.
- Advice on health insurance to provide access to private hospital or specialist treatment.

HOW WE ARE COMPENSATED:

Our mortgage advisers are paid salaries, not commissions. This means they can focus on finding the right deal for you instead of hunting for the biggest pay-off from a particular bank.

The lenders and insurers we deal with may pay commissions to Buddy Financial Advisors based on the business our company brings them. This is generally paid once the mortgage is settled or insurance policy is issued. The commission may also include a small renewal or trail commission. We also receive a fixed rate rollover fee from some providers if we help re-fix your loan.

Transparency and clarity is important to Buddy so we provide full details of any commission.

THE PRODUCT PROVIDERS WE DO BUSINESS WITH:

Who we use for personal risk and health insurance: We believe the following companies offer an excellent choice of personal and health cover: Partners Life, Fidelity Life, NIB and AIA.

Who we use for fire and general insurance: We will recommend the products and solutions we think best fit your circumstances from the following companies: Tower & Ando.

Who we use for mortgages: Buddy is accredited and works with a wide range of lenders to find the best rates and terms for you: ANZ, ASB, BNZ, Westpac, Kiwibank, Avanti Finance, The Co-operative Bank, Cressida, Liberty Financial, NZCU, PSIS, Public Trust, Sovereign Home Loans, SBS Bank, TSB, Sentinel, DBR and Resimac.

Occasionally we may work with lenders who don't pay a commission to Buddy. In this scenario, we may charge a one-off fee for any work we do on your behalf. We would discuss this with you beforehand and get your permission in writing.

Claw backs: If you repay a mortgage in full within 27 months of drawdown, the lender may take back some of the commission Buddy Financial Advisors Limited earned. If you have refinanced using another broker or by going direct to a bank, Buddy may charge you a one-off fee to cover the income we've lost.

Here's some good news. There are no claw backs if you use Buddy to refinance at any time.

Claw backs: If you cancel an insurance policy within 24 months from inception date, the insurance provider may take back some of the commission Buddy Financial Advisors Limited earned. Buddy may charge you a one-off fee to cover the income we've lost.

A BIT ABOUT YOUR ADVISER:

Buddy employs mortgage advisers who have experience working for banks and other financial companies. They have different qualifications and interests but they all have one thing in common – namely that they earn salaries, not commissions. It's about doing the right thing for the client, not hunting for a short-term pay-off.

Your financial Buddy will be happy to provide more details of his or her professional qualifications and experience. Just ask.
