PUBLIC NOTICE

February 2, 2026

The Town of Luray Parks & Recreation Department is actively working to clear park facilities and surfaces. Warmer temperatures early this week may help these efforts.

Ralph Dean and Lake Arrowhead parks remain closed for public use until facilities are safe and easily accessible.

Once surfaces are clear, parks will be reopened for normal daily use.

Please note: The Hawksbill Green Trail is still unsuitable for safe pedestrian use due to compacted ice and snow. It is advised that users find alternative locations for walking/running until all paved surfaces can be cleared.

We appreciate the public's patience and cooperation during this process.

If you have any questions, please contact the Town's Department of Parks & Recreation at (540)843-0770.
