

Town of Luray

45 East Main Street
P.O. Box 629
Luray, Virginia 22835

PUBLIC NOTICE

October 1, 2026

Work crews will be conducting tree removal operations within the North Broad Street median area between Mechanic St. and Rt 211 bypass interchange from Monday, October 5th through Friday, October 9th, 2026.

Both left (inside) lanes in the north and south bound dual lane area will be closed daily from 8:30 AM to 2:30 PM during this time.

Right-hand lanes (outside) lanes will remain open to minimize traffic impacts. Ingress and egress onto Rt 211 bypass will not be restricted.

Please use caution when traveling past the work zone as falling tree debris and moving equipment may cause visual distractions.

Tree removals are being conducted as part of a tree replacement and corridor enhancement grant project. Several rounds of phased project work is planned in this area through November.

If you have any questions, please contact the Town's Department of Parks & Recreation at (540)843-0770.
