

Baby Tagging for Infant Security

Solution Overview

Xtag Medical is the UK's number one choice when it comes to infant security in NHS maternity hospitals.

Xtag Medical is a trusted NHS supplier with over 20 years experience working in partnership with NHS Trusts and hospitals worldwide. We're widely known as the UK's leading provider of Baby Tagging security systems, safeguarding over 300,000 new-borns in over 65 NHS Trusts annually.

"Xtag have given us a comprehensive and robust service that ensures the best client experience. The dedication and passion shown by Xtag Medical has been exemplary."

Director of Midwifery,
Liverpool Women's NHS Foundation Trust
