FOREWORD

I am delighted to welcome you to our Local Governors' Training Programme, updated for the academic year 2025-2026.

Our diocesan training will continue to take place virtually. Once more we will hold this year's training sessions on a number of different weekday evenings, beginning at 6.15pm and lasting for approximately one hour.

If any local governing body would like some direct input for their governors at one of their LGB meetings, please let a member of the NRCDES team know. We would be happy to offer this, if dates and times are available.

In order to assist local governors, we have also established a training pathway. For newly appointed local governors, this begins with induction both at school and CMAT level; please make these arrangements with your headteacher and your CMAT.

Following this, our training is offered at three different levels.

DIOCESAN TRAINING

Level 1 - Developing

New governors and those who would welcome a 'refresher' on the basics of local governance in a CMAT within the Diocese of Nottingham.

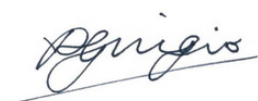

Level 2 - Embedding

Local governors who are well established and ready to reflect upon and deepen their effectiveness.

Level 3 - Advancing

Local governors who are highly experienced. Chairs and Vice-Chairs of Governors and those in a position to support other local governors.

On behalf of Bishop Patrick McKinney, I would like to thank you very much for your generous support and for the vital role that you play in ensuring that our schools remain Christ-centred worshipping communities.

DEVELOPING

WHAT IS CATHOLIC LIFE AND MISSION?

Course Content / Overview

Catholic Life and Mission is the focal point for our Catholic schools. For local governors, the promotion and development of Catholic Life and Mission is the first priority.

But what exactly is it? Religious Education and Collective Worship may sometimes feel easier for us to define. Catholic Life and Mission is, essentially, everything else through which the Catholic ethos permeates; there is therefore lots of scope for local governors to really 'get under the skin' of what the school is all about in its Catholic mission.

This session will assist governors in promoting a shared understanding of what exactly we mean by Catholic Life and Mission.

CATHOLIC FOUNDATION STONES

Exploring the basics of the Faith

The programme, 'Catholic Foundation Stones' is a basic introduction to the Catholic faith. It is free of charge open to all staff, directors and local governors in our schools, for example:

- Colleagues from all faith backgrounds or none who are interested in learning something about the Catholic faith;
- Colleagues who wish to deepen their knowledge of the Catholic faith;
- Colleagues who are returning to the practice of their faith;
- Colleagues who may be interested in becoming Catholics.

Catholic Foundation Stones is structured around the four pillars of the Catechism of the Catholic Church:

- The faith we profess (the Creed – a statement of what we believe);
- The faith we celebrate (the Sacraments);
- The faith we live (the moral life);
- The faith we pray (prayer and the spiritual life).

The programme comprises twelve sessions in total which will be delivered throughout the academic year (four sessions per term). Sessions will last for one hour; they will be delivered informally and will include some input, time for reflection and prayer and opportunities to engage in discussion. Nobody will be tested or 'made' to contribute! (You will be able to join at any point during the year).

Session titles are as follows:

- Session 1 – Introducing the Catholic Faith
- Session 2 – God's Revelation and God the Father and Creator
- Session 3 – God the Son: Jesus Christ
- Session 4 – God the Holy Spirit; Mary and the Saints

MONITORING AND EVALUATING CATHOLIC LIFE AND MISSION, RELIGIOUS EDUCATION AND COLLECTIVE WORSHIP

Course Content / Overview

Our diocesan schools place Catholic Life and Mission, Religious Education and Collective Worship at the heart of all that they do. For this reason it is important to pay particular attention to the ways in which we can successfully monitor and evaluate the quality of provision across these three key areas of school life.

Monitoring and evaluation is not just for Catholic School Inspection, it is one of the main methods for ensuring that our pupils and students receive the very best, and truly authentic, Catholic education.

SELF-STUDY

FORMATIO TRAINING FOR GOVERNORS

This free online training resource for all governors of Catholic schools, designed by the Catholic Education Service, is now available.

The training is for all those involved in governance in schools and is for all abilities and experience.

The training consists of a series of modules but we suggest the first three modules for local governors in the Diocese of Nottingham.

- An introduction to Catholic education
- The environment of a Catholic school
- Strategic Leadership

You can access the training at:

<https://www.formatio.org.uk/e-learning>

SELF-STUDY

CES - RELATIONSHIPS, SEX AND HEALTH EDUCATION

There are six modules, which each contain several units. You can choose to complete all six modules and receive accreditation for the course from the Catholic Education Service. Or you can choose the non-accredited route and complete only the modules and units that you want to learn about.

Module structure

- Each module should take no more than 20 minutes to complete
- You can choose to deepen your understanding on any particular module through suggested further reading and links to other resources
- You can save your progress as you go along. That means you don't need to complete a module all in one go!

At the end of the course

- You'll understand the new statutory requirements for teaching Relationships, Sex and Health Education and some key principles for applying these in a Catholic context
- You'll have had the chance to think about how the new requirements relate to you and your pupils, as well as their parents
- You'll have been introduced to Catholic educational material – including a model curriculum cited as an example of good practice – and resource lessons that meet the new requirements

You can access the training at:
