St Ralph Sherwin making progress

After already conducting the initiative in his previous parish, Canon Andrew Cole is once again leading from the front in his new home in Derby.

Already, 10% of the target has been met thanks to six families and there are further 20 families still considering their support, after recently attending a series of group sessions to learn more about the campaign.

Next month, will see the whole parish invited to play their part and we look forward to updating you in our next update. Good luck Canon Andrew!

Our Lady of Walsingham Launch

We were pleased to see Fr. Jim Burke and the communities of Spalding and Holbeach sign up to the campaign this month.

Over the coming weeks, Father Jim will be meeting with parishioners on a 1-1 basis and through small group meetings to explain the campaign in more detail, before launching to the wider parish.

By the end of their timeline, it is hoped they will have raised £105,000 in pledges, with the 40% the parish retains, supporting ongoing local projects.
