

2026 Season

FREE REFORMED SOCCER LEAGUE

Hello everyone!

We have begun preparations for the 2026 FRSL season! Registrations will be open till the 21st of March, sign up through our website; frsl.org.au. The Lord willing, the season will begin on the **18th of April** for all divisions. Games will once again be run between **12pm-5:30pm**, please note that game times are subject to umpire availability and team numbers. Fees will remain the same as last year, if you are finding it difficult to afford these, please get in touch because we would hate for this to be the reason anyone misses out.

This year we are also looking for interest from men aged 35+ to play in a Veterans league, about 4 games during the season. You are able to register on our website, or email Mick: mick1983@outlook.com.au for more information. This will also include the option to join the pool players at no additional cost.

In previous seasons, girls were allowed to register for both netball and soccer. This year, girls will only be able to register for one sport. Please register for your first preference. If you are interested in being considered for a second sport, you may email us to express your interest. Requests will only be considered after registration close and will depend on team numbers.

Committee Members

We say goodbye to, and would like to thank Melanie deVos for her work as netball coordinator and David Veenendaal as Junior Leagues coordinator.

We are currently looking for new committee members; we require a new **Little Leagues Coordinator** (Mini, Micro and Nano) as well as an **Umpire Coordinator** and **Secretary**. If you would like more information on any of these roles, please send us an email at committee@frsl.org.au.

Umpires & Coaches

Without umpires and coaches, our league would simply not run. We require coaches for all of our junior and little leagues teams including netball.

If your child's team does not have a coach they will not be able to play, so please seriously consider if you would be able to volunteer in this capacity.

We have incredible umpires who give of their time for our league to be possible. We are happy to give training and advice where needed, so if you are willing to consider umpiring to lighten the load of our volunteers, please contact Brad to discuss further: 0448 475 583
