Miracle Max's Minions

WHAT IS MIRACLE MAX ?

Miracle Max's Sunflower field fundraiser was born out of a desire to help a young family grieve the loss of their 2 year old son "Max", who was born with Leukemia and bravely battled every day of his life, smiling all the while. The original field was planted in spring of 2019 and very quickly gained the attention of the community.

To date, the original field, along with those who have joined the effort since, have raised over \$450K. These funds have been distributed to various charities and organizations who help families battling childhood terminal illnesses. Organizations such as; Childcan and Max's Pass have been recipients over the last few years.
