Introducing Our Program of Mid-Summer Colour & Fall Flavours

Introducing you to some of the plants we have growing
for you in our program of mid-summer color and fall
flavors.

What's All Included?

Beginning with some of the summer colors
(available now) like Brown-Eyed-Susan's, Gomphrena,
Grasses & Sedums.

As the season goes on, varieties will change into items like fall mums and ornamental kale.

Proudly Growing For You

Brian Sipkens checks the roots of some of our fall crop.

These are plants that we grow here in our greenhouses starting way back in April/May & June!
