Create, Wander & Celebrate Autumn at Sipkens

There's something special about autumn at Sipkens — the rich fall colours, pumpkins and berries, beautiful succulents, and the cozy feeling that comes with slowing down and getting creative.

We're excited to invite you to **register for our lineup of Autumn workshops!** 

Bring a friend and make an afternoon of it. Start by wandering through our incredible gift store, settle in for a creative workshop, then take a leisurely stroll through the greenhouse and discover a few new plants to bring home.

An Afternoon Made for You

Browse. Create. Wander. Grow.

Whether you're looking for a fun afternoon with a friend, a little creative inspiration, or simply an excuse to enjoy the beauty of the season, our autumn workshops are the perfect way to spend the day.

Surround yourself with **pumpkins, berries, fall colour and gorgeous succulents** while you create something special and soak up the sights and scents of the greenhouse.

Private Workshops Available!

🍂 Yesterday, we welcomed a beautiful group for a private workshop! They planned, learned, and created stunning planters filled with fall foliage, texture and colour.

Would you like to host your own private, instructor-led workshop? We'll take you step by step from concept to completion.

Private workshops are available for groups of 5 or more. Call 519-542-8353 or email mail@sipkensnurseries.com

Come for the workshop. Stay for the autumn experience.
And don't forget to leave a little room in the car for a new plant or two! 🌱
