**Dear Supporter,**

MBE Night in Annapolis is Maryland's flagship economic inclusion conference, with a 17-year legacy and statewide significance. Since its founding in 2009, the conference has served as a trusted platform connecting Maryland's minority business community with state agencies, legislative leadership, and corporate partners to expand access to contracting opportunities, capital pathways, and emerging economic sectors.

The event serves as a high-impact public-private partnership, designed to bring together decision-makers and entrepreneurs in one space to share information, build relationships, and create meaningful pathways to participation in Maryland's economy. MBE Night in Annapolis has become a cornerstone convening where policy, opportunity, and enterprise intersect in real time.

**MBE Night in Annapolis 2026** will take place on **Thursday, February 26, 2026**, from **5:00 PM to 9:00 PM**, at the **Westin Annapolis**, during the Maryland legislative session, a time when engagement, access, and visibility are especially critical for minority-owned businesses.

This year's conference theme, **"Reshaping the Future: A New Era for Maryland's MBEs,"** reflects both the moment and the mission. As Maryland continues to modernize procurement, advance economic mobility, and invest in emerging industries, MBE Night in Annapolis remains committed to ensuring that minority-owned businesses are informed, prepared, and positioned to participate fully.

At its core, MBE Night in Annapolis is built on a simple belief: **when the right people come together with shared purpose, opportunity expands**. By convening leaders across government, industry, and the business community, the conference continues to uplift entrepreneurs, strengthen partnerships, and help shape a more inclusive and competitive Maryland economy.

We invite your organization to partner with **MBE Night in Annapolis 2026** and play a meaningful role in advancing opportunities for Maryland's minority business community. Sponsorship of MBE Night is more than visibility; it is an opportunity to align with a trusted, statewide platform that brings together decision-makers, business owners, and institutional leaders at a critical moment for Maryland's economy.

Sponsors gain direct access to a diverse and engaged audience of entrepreneurs, government agencies, elected officials, and corporate leaders, while demonstrating a clear commitment to economic inclusion, supplier diversity, and community impact. As a conference partner, your organization can ensure that minority-owned businesses have access to the information, relationships, and pathways needed to compete and grow.

MBE Night in Annapolis continues to thrive because of the support of organizations that understand the value of collaboration and shared purpose. We look forward to the opportunity to partner with you and welcome your organization as a supporter of this highly anticipated and impactful conference.

Enclosed, please find details on available sponsorship opportunities and benefits. I would welcome the opportunity to discuss how your organization can become a partner and answer any questions you may have.

**Kind regards,**

**Herman Taylor**  
Founder, MBE Night in Annapolis
