

SCALEUP OFFICE

OFFICE- AS- A- SERVICE

expand your network

inspire creativity

improve performance

ABOUT US

Scaleup Office brings the Office-as-a-Service concept — a flexible work environment tailored to all business needs.

As the largest coworking space in Split, we strive to create a place where our community feels inspired, connected, and motivated to achieve their goals.

Our mission is to provide you with a space where you can work, grow, and network, while offering diverse and alternative options compared to traditional offices — all depending on your needs.

COWORKING

Coworking is the ideal solution for anyone who wants a professional and modern work environment while maintaining flexibility and freedom in how they work.

Fix Desk / Fix Desk Plus

Your own dedicated workstation within the coworking space.

Deal Desk

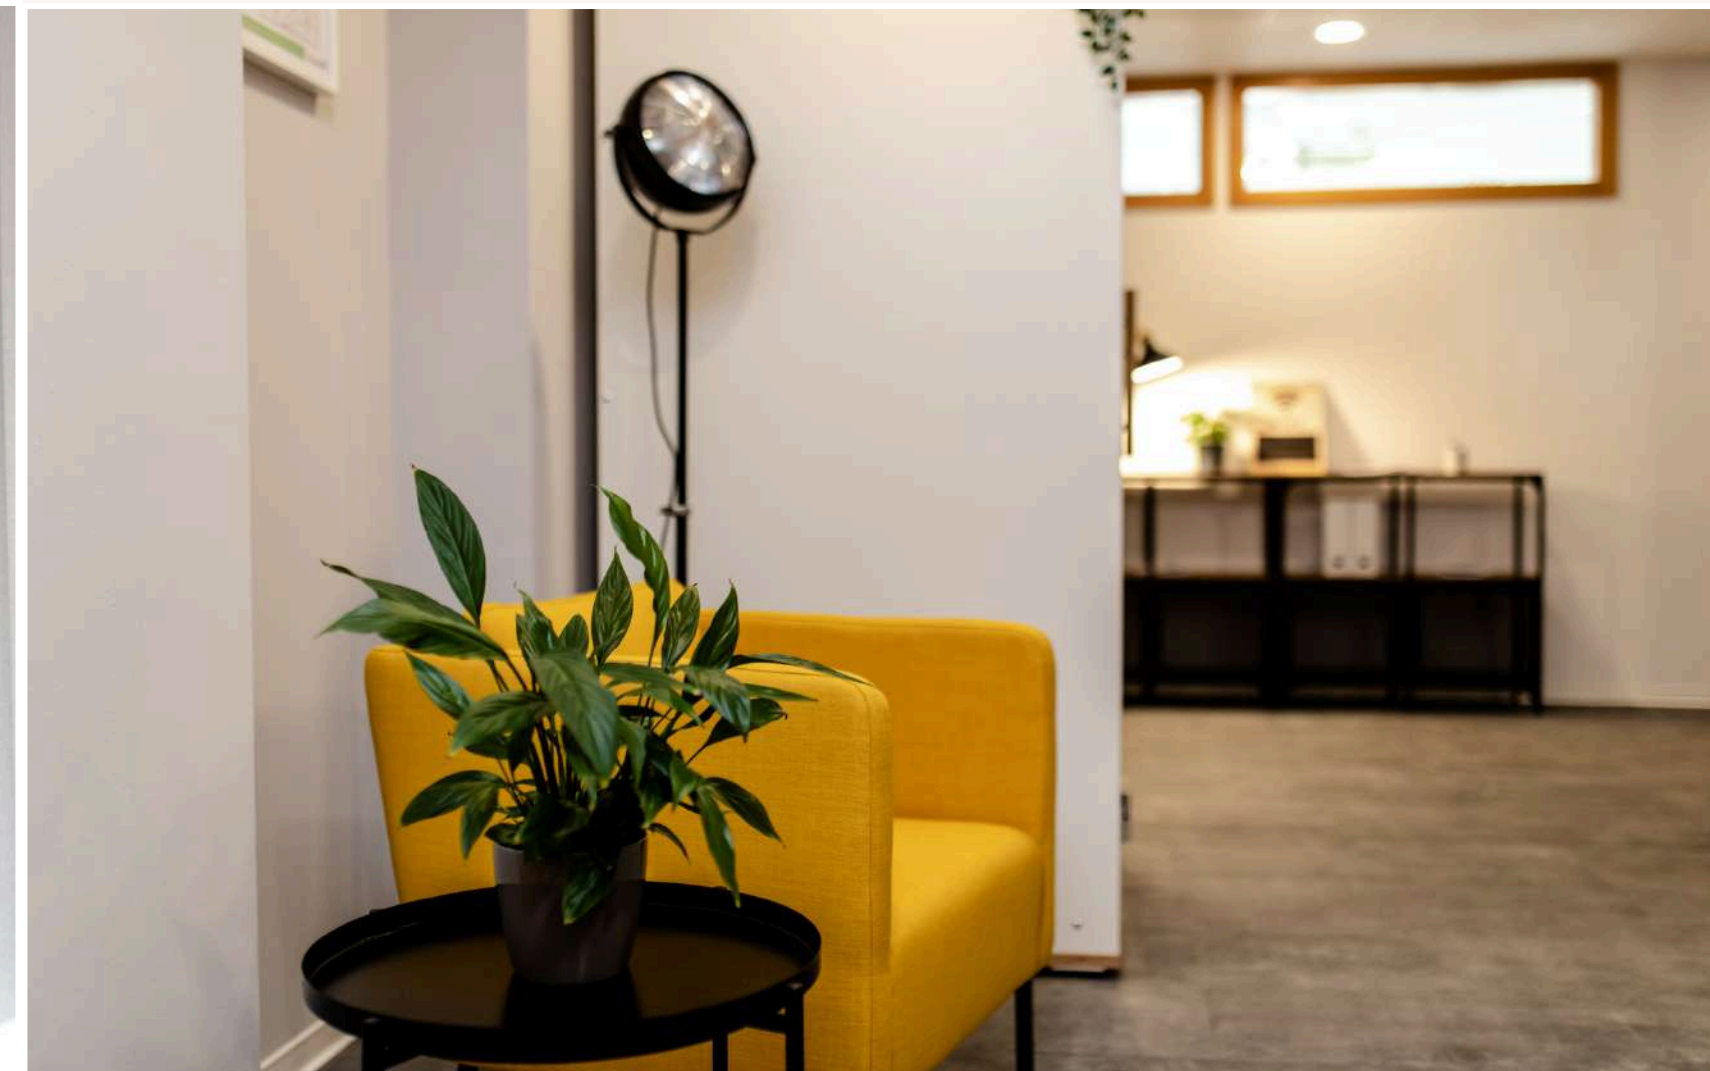

Flexible use of the coworking area.

Available plans: **4, 8 or 12 days per month.**

Daily Pass

One-day access to the coworking space.

PRIVATE OFFICES

For those who seek peace, focus and complete privacy, our private offices offer the perfect balance between independent work and the benefits of being part of a dynamic coworking community.

Small offices

Up to 20 m², ideal for teams of up to 5 people

Medium offices

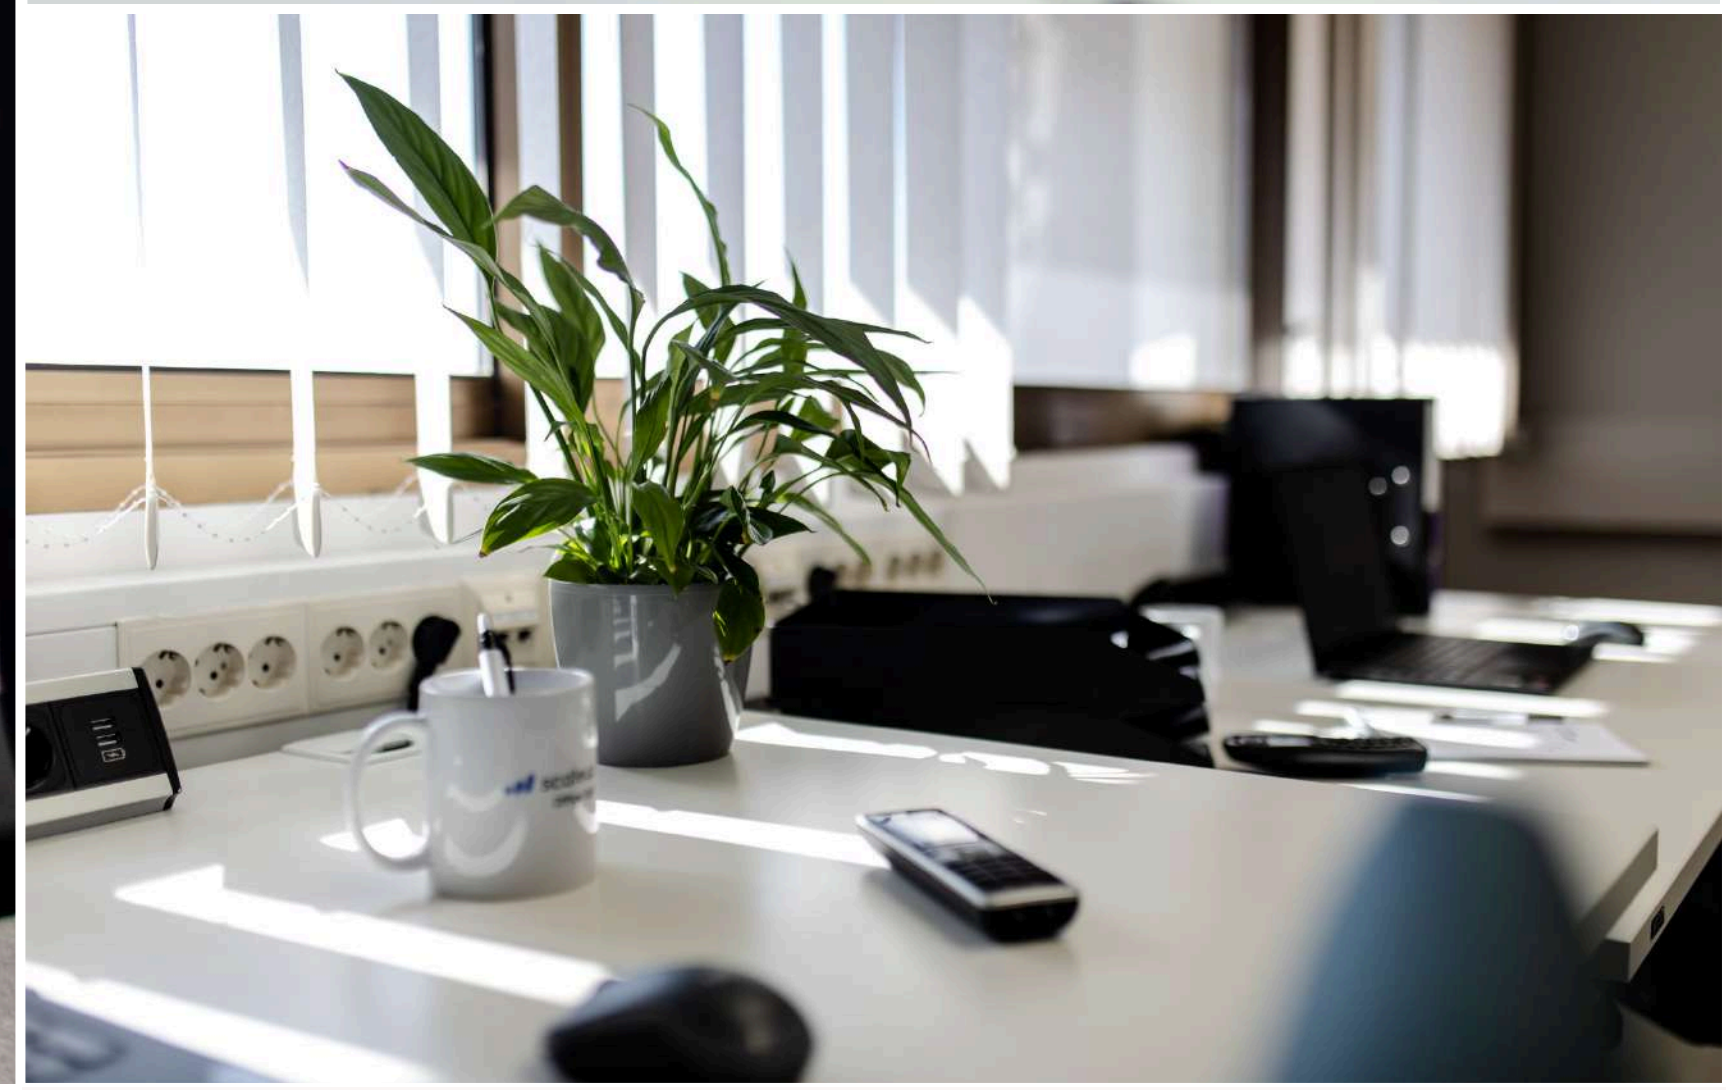

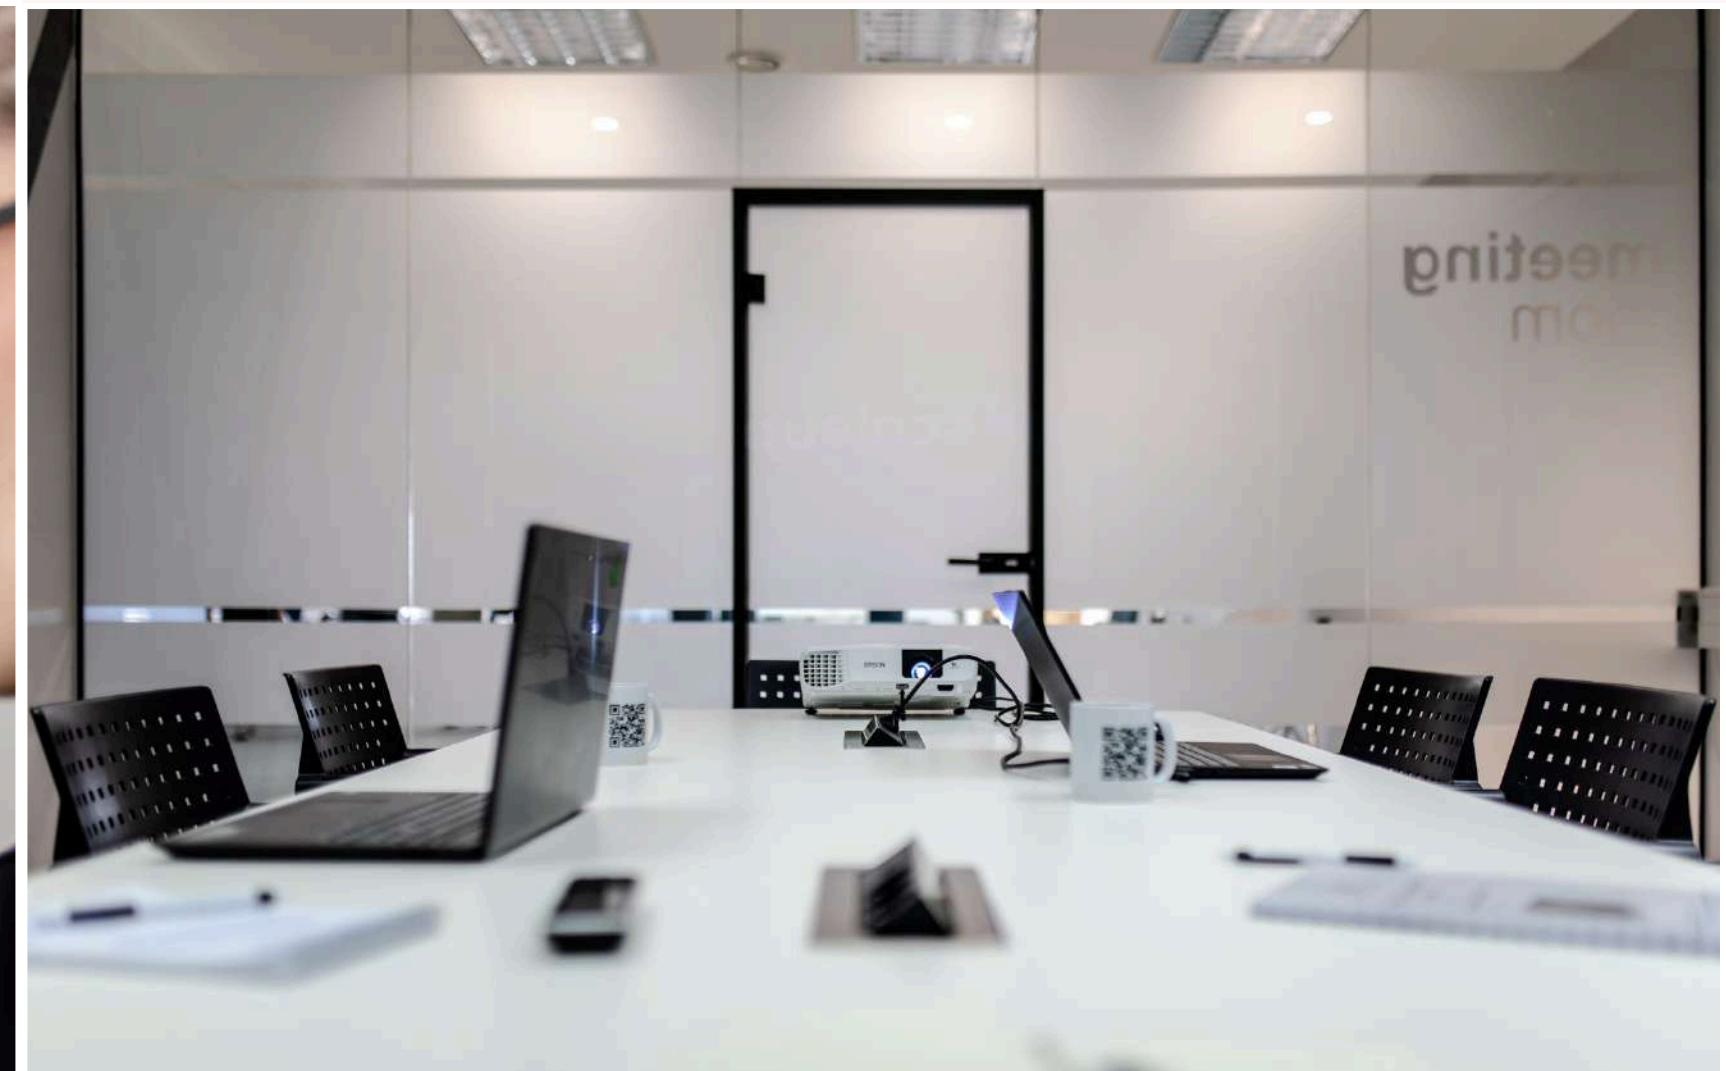

Up to 25 m², suitable for teams of up to 7 people

Large offices

Up to 35 m², designed for larger teams of up to 10 people

All offices are available in 3 packages: Basic, Standard & Premium.

MEETING ROOMS

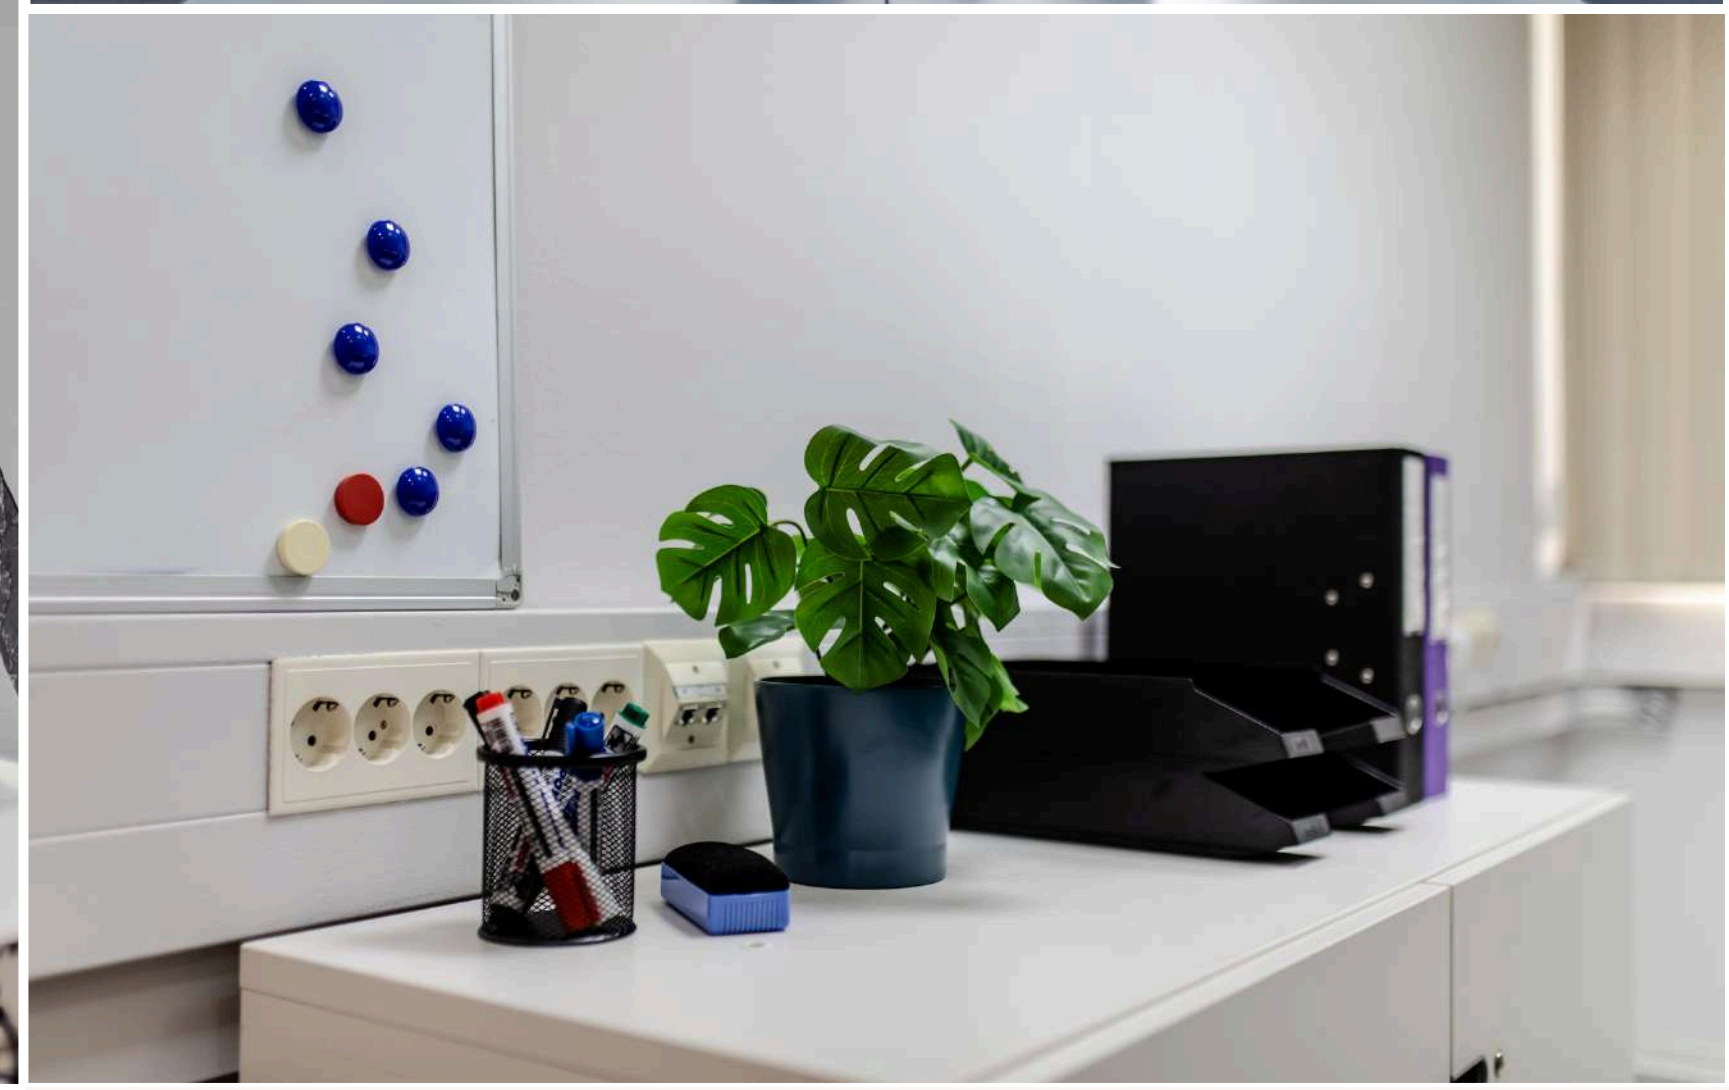

Professional meetings require a professional environment. Our fully equipped meeting rooms are designed to provide a comfortable atmosphere, privacy, and technical support for every business encounter.

Our offer includes:

- 3 modern meeting rooms
- Capacity suited for small and medium-sized groups
- High-speed internet, audiovisual equipment, projector & TV, and everything needed for productive work

They are ideal for business presentations, client meetings, team briefings, brainstorming sessions, as well as online conferences and training sessions.

EVENT SPACE

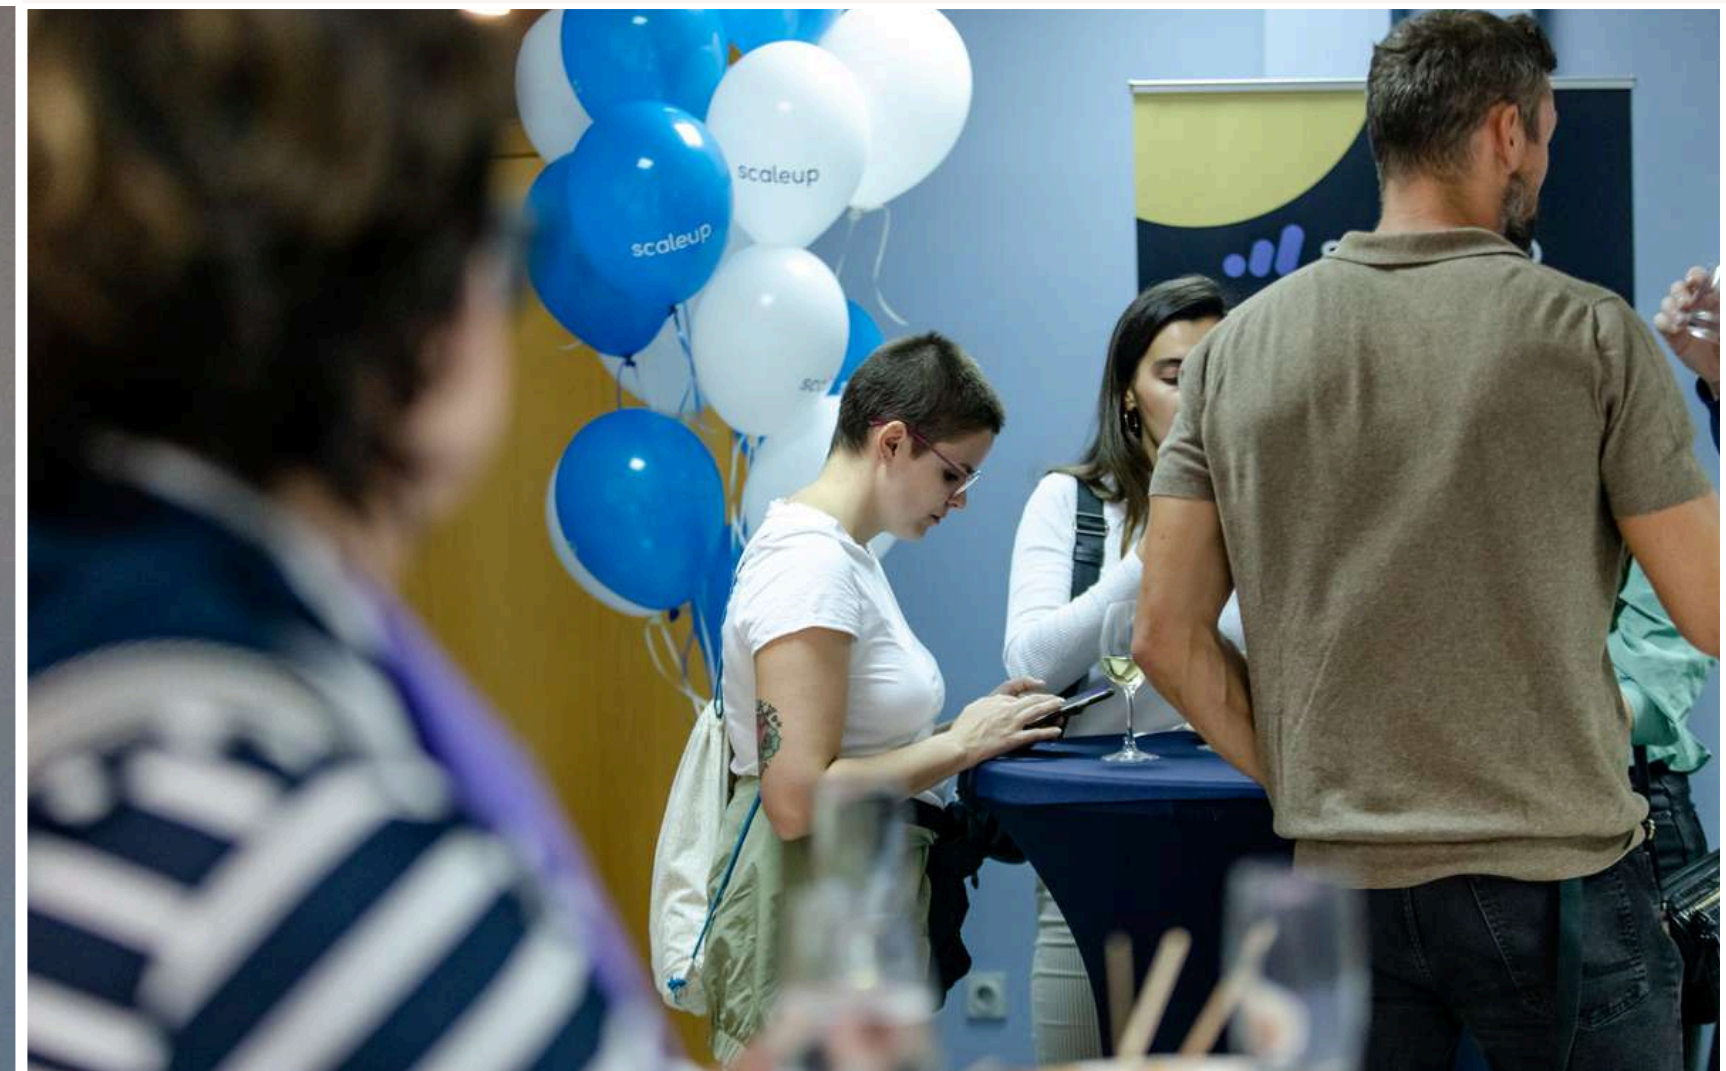

Our event space can be adapted to various types of events and, depending on the seating arrangement, can accommodate up to 50 participants.

If desired, we can take care of catering and additional supporting services to ensure your event runs smoothly and without worry.

The space is equipped with everything needed for a high-quality event: a projector, motorized screen, magnetic board, sound system and microphone.

Event hosts also have access to all additional Scaleup Office amenities — the kitchen and shared relaxation areas.

SCALEUP ACADEMY

Scaleup Academy is a dedicated space within Scaleup Office designed for education, professional development, and knowledge exchange.

The Academy space is available to companies using our offices, as well as external organizers who seek a professional and modern environment for their events.

- **Workshops**
- **Training sessions**
- **Mentorship programs**
- **Panel discussions**

VIRTUAL ADDRESS

Our virtual address service allows you to present your business professionally without the need for a physical office. It is an ideal solution for entrepreneurs, startups, and companies seeking a prestigious address in Split.

- **Business Address** – official company registration at our location
- **Mail Service** – receiving and storing mail with user notification
- **Flexibility** – the option to combine with other Scaleup Office services

SHOWROOM AND RETAIL SPACE

Scaleup Office offers a modern space for product presentation and display, ideal for companies and brands looking to attract clients and partners in a dynamic business environment.

- **Showroom** – showcasing and demonstrating products
- **Brand Presentation** – professional presentation of your services and solutions
- **Retail Space** – direct contact with customers and business partners

SCALEUP OFFICE COMMUNITY MANAGEMENT

Our community is the heart of Scaleup Office, and our Community Management team is always available to make your work easier and more enjoyable.

What we offer:

- Support in using the office and technical equipment
- Organization of events, workshops, and panels
- Assistance in planning team-building activities and business meetings
- Networking and connecting with other community members

Our goal is to create an inspiring and productive environment where you feel like part of a community – not just a space user.
