All athletes must register their own rifles and pay the applicable fee. Refer to the RCMP Firearms Program to obtain a Non-Resident Firearms Declaration for guidelines.

Biathlon rifles are NOT permitted in the Day Lodge. Competitors are required to transport their rifles from the parking lot to the biathlon range in either a soft or hard case. All Canadian athletes who are carrying their rifles on course must have in their possession, and be able to show upon request, their Possession and Acquisition Licence or Minor's Permit. Rifles may not be left unattended.

1.4 Rules

International Biathlon Union (IBU) rules and regulations shall apply as fully as possible to all classes. The North American Hosting Policy shall apply to the IBU classes. Specific rules for classes not covered in IBU rules contained in the Biathlon BC Hosting Policy shall apply to those classes.

1.5 Eligibility to Enter

All athletes participating must be registered participants with Biathlon Canada or USA Biathlon or another IBU national federation for the 2026-2027 season.

Biathlon BC members in good standing are eligible to receive full benefit of results in Biathlon BC programs, such as BC Cup points and team or squad selections.

1.6 *NEW* Athlete IBU Registration

Athletes who are competing in an IBU class (Men/Women, Jr. Men/Women, Youth Men/Women) must be registered as athletes in the IBU Member center to have their results reported to the IBU and to earn IBU Qualifying Points (needed to be eligible for international tours).

Steps to complete the IBU Registration:

- Search to determine whether you are already registered:
    - Go to www.biathlonresults.com, Select "Athletes Search" Under Datacenter Column
    - When the "Athletes Search" window opens, type your family name and first name
- If your name does not appear on the list, contact Lindsey Brown at lbrown@biathloncanada.ca

Linsdey will complete the initial step.
- Watch your inbox for an email from the IBU for you to complete the registration process.

Athletes who are members of another National Federation should contact their National Federation to complete the registration.

Participants in an IBU class who are not registered as athletes in the IBU Membercenter on the day of the competition will have their results moved to the corresponding Adult category or to an unofficial category. Their results will not be shared with the IBU and they will not receive IBU Qualifying Points.
