Evaluation Services

Collect. Analyze. Transform.

Why WRI?

Are you in need of improving the effectiveness of your program? WRI can help you identify, measure, and assess areas that will benefit from change. We will collect and analyze data that can help you develop measurable objectives relevant to meeting your program's intended outcomes.

Goals

At WRI, we believe in a collaborative approach. We can help you achieve your program goals by identifying what's working well and what needs improvement. Together, we will develop and implement data collection tools to help you measure outcomes.

Objectives

WRI can help you define clear, outcome-driven objectives that translate your program's vision into practical steps for success. With our assistance, you can build work plans with actionable guidance to keep your focus on meeting each milestone in your program.
