

*Better systems are built  
with **real voices**.*

## Community Engagement Services

Engage. Understand. Transform.

### Why WRI?

WRI values the voices of people with lived experience and recognizes its power to shape decision-making, policy, and practice. We work to elevate community perspectives, strengthen equity, and deliver actionable insights for government agencies, nonprofits, and foundations.

WRI staff share a close connection with people with lived experience. This connection and their experience guide and shape our work.

### Trauma-informed, relationship-centered.

Our team is trained in:

- ▶ Trauma-informed engagement
- ▶ Inclusive facilitation
- ▶ Motivational interviewing
- ▶ Youth and adult partnership models
- ▶ Culturally responsive practices

We create safe, accessible, and empowering spaces where people feel valued and supported.

### Real voices. Real guidance. Real impact.

Whether you need to launch a new or strengthen an existing board, WRI brings the structure, expertise, and sensitivity needed for meaningful and sustainable engagement.

We can support many types of groups including:

- ▶ Youth Advisory Boards
- ▶ Community Steering Committees
- ▶ Lived Experience Advisory Panels
- ▶ Survivor Advisory Panels
- ▶ Taskforces and Workgroups
- ▶ Policy Review and Co-Design Groups
