Company Objective

Mission & Vision

Company Mission & Vision

PROMAJADI is a telecommunications company specializing in providing telecommunications infrastructure facilities (NFP) for a network service providers (NSP) across the country.

As a pioneer in the design, construction, and maintenance of telecommunication towers, Promajadi is committed to delivering safe and high-quality telecommunications structures. We work closely with leading telecommunications companies, internet service providers, and government agencies to ensure every project meets the highest industry standards.

With a professional team of experienced engineers and technical experts, we have successfully executed various projects throughout Malaysia, including in remote areas that require improved telecommunications coverage. Our commitment to innovation and technological efficiency enables us to offer fast, effective, and reliable services to all of our clients.

Mission

Promajadi will continue to deliver innovative and high-quality telecommunications structures to support the development and efficiency of communication networks across the country.

Vision

To become the leading provider of sustainable and high-quality telecommunications infrastructure at both national & international levels.
