# Message from Executive Chairman

I would like to start by expressing the pride of being able to bring the values that Ha Megah Technology Sdn Bhd , promised to carry on the first day it started to work until today with its experience of more than 7 years

We started all our business knowing that we need to add value to our company. We have witnessed, by experiencing, that every work done with love, always taking care of the good, can result in success without losing faith. Commitment to excellence and client satisfaction form the basis of our philosophy. Our theme is quality, integrity, time, efficiency and safety.

To achieve these principles, we are committed to fulfill our corporate responsibilities, including enhancing our awareness of and conformity with business ethics, and aim to be a reliable and trustworthy company globally.

We believe that only outstanding workmanship, superior quality control, effective safety methods and continuous development of our management profile and professional skills can bring about the desired results and our goal of customer satisfaction

There is no short cut to achieve business goals with values like moral, ethics, honesty etc. I strongly believe in hard working, delivering promised work to customer and giving preference to customer satisfaction in achieving business success.

**DATO' SRI HASNUL RAMLAN BIN KHAIRUDDIN**

SSAP,DIMP,AMP

Executive Chairman

Ha Megah Technology Sdn Bhd

# About HA Megah Technology

## Company Overview

- Ha Megah Technology Sdn Bhd was incorporated in Kuala Lumpur, Malaysia and fully owned by 100% professional Bumiputra . Ha Megah's business commenced in 2006 as sole proprietorship under the name Ha Megah Enterprise, it was later upgraded and incorporated as private limited company in 2015. We have previously involved in telecommunication towers installations, networks services and other related engineering works in the telecommunication. Our vast experience with most of the popular local Operators had enabled us to be recognised within the industry for mobile service projects that require multiple solutions through design, development, implement, execute, test and deliver IT Infrastructure services and Systems Integration related projects of many complexities.
- Ha Megah Technology Sdn Bhd is dedicated to comply responsibly to the safe operational procedures and practices through international compliance standards and shall be applicable to all local councils and Malaysian federal law and regulations.
