

# SYMPOSIUM

**APRIL 24-25, 2026**  
SHERATON SAND KEY, CLEARWATER BEACH

## A Deep Dive to Mastery

Join the premier annual gathering of upper cervical chiropractors. This year's Symposium takes a deep dive into the Orthospinology procedure, breaking it down step-by-step while showcasing the latest innovations, tools, and strategies for managing even the most complex cases. Sharpen your technique, reconnect with philosophy and community, and build real connections with UC doctors and students. Leave with actionable insights and relationships that will elevate your practice.
