### [Sharsheret](#)

Sharsheret is one of the nation's leading Jewish cancer organizations for many reasons. Our expansive support network helps those who are facing a breast cancer or ovarian cancer diagnosis with one-on-one support as well as a peer support network. We also offer resources for financial assistance and address side effects from cancer treatments. Sharsheret has resources and connections for families of those recently diagnosed and can provide genetic conversations to those who are looking to find out more about their heritage and connection to familial cancer

### [Living Beyond Breast Cancer](#)

Practical resources for coping, managing, living with breast cancer.

### [Move Beyond Surviving](#)

Breast cancer treatment may heal the disease, however, it leaves the person with physical, emotional, and mental scars. Immersion in nature offers peace of mind and emotional healing. Vigorous physical activity awakens the body. Move Beyond Surviving and other breast cancer survivors on outdoor adventures designed to rediscover yourself and your personal strength in a safe and supportive environment. Challenge yourself to uncover the power within you and reconnect with your mind, body, and spirit.

### [I have Wings Breast Cancer Foundation](#)

W.I.N.G.S. - With Inspiration, No One Goes Solo. At I Have Wings Breast Cancer Foundation, we believe no one should face breast cancer alone. We offer emotional and financial support to breast cancer patients and families — bringing hope, healing, and help when it's needed most.
