Serving Grades 6-8

**THE CLASSICAL
ACADEMIES
SORA PROGRAM**

REAL LEARNING. REAL LIFE. REAL FLEXIBILITY.

The Sora Program is a full-time, tuition-free, online learning experience for 6th–8th grade students. Developed in partnership with Sora, a national leader in virtual education, this program reimagines middle school. With live instruction, project-based learning, and ongoing faculty support, students gain the skills, confidence, and connections to thrive in a changing world.

WHY CHOOSE THE SORA PROGRAM?

Project-Based Learning

- Students engage in meaningful, real-world projects that develop critical thinking, creativity, and communication skills.

Live Virtual Instruction

- Three days a week of live, online small-group classes create opportunities for discussion, collaboration, and relationship-building.

Flexible Daily Schedule

- Each day includes 2.5 hours of live classes and 2.5 hours of independent work, allowing families to shape their learning routine.

Supportive Learning Community

- Students remain with a consistent team of teachers and peers throughout the year, building strong bonds and a sense of belonging.

Optional On-Campus Fridays

- In-person activities, clubs, and social events are available weekly, allowing students to connect and explore new interests.

Enriching Extracurricular Activities

- Students may participate in a variety of on-campus clubs, athletics, musical theater, choir, band, Associated Student Body, and more.
