

Butch's Propane offers employees weekly payroll and has partnered with Paycom to provide several exciting features that benefit our employees.

Some of these features include:

- **Employee Self Service (ESS)** 24/7 access to payroll and HR information, allowing employees to manage direct deposit updates and W-4 changes directly within Paycom.
- **IWant™ Command-Driven AI Engine:** Instead of clicking through menus, employees can type or use voice commands to search for information and receive answers instantly—no software navigation required.
- **Beti® Pay Experience:** Allows employees to preview, review, and approve their paychecks before payday.
- **Ask Here:** Enables employees to submit payroll and HR-related inquiries directly within the portal
- **Expense Management:** Allows employees to easily submit expenses, upload receipts, and track reimbursement status in one place.
- **and MORE!** Further details and features shared with employees.
